Frequently Asked Questions (FAQ)

1. Where can I find the Spartan Schools application?

The application is live on our school district website home page. Or you may click on the link here for the [25-26 Spartan Schools Application](#).

2. When is the Spartan School application deadline?

The application deadline is January 18, 2024.

3. Where do I find specific information for each of the 3 Spartan Schools?

There are a couple ways to find information about our Spartan Schools. First you can go to our school website and click on “*our schools*”, then click on OTHS Spartan Schools. You may then click on the school you are interested in and find out academy specific information. You may also open our **Program of Studies** on the School Counseling page of the website for course descriptions, a yearly planner, brochures and more.

4. Is it open enrollment anytime or do you need to commit as a freshman?

If you do not apply to a Spartan School upon entering OTHS freshman year, you will be allowed to apply at another time. In order to be considered for a Spartan School Program of Study, students must enroll by sophomore year.

5. Is an audition required for the School of Visual and Performing Arts?

There may be an audition for some specific Performing Arts programs.

6. If I ask a teacher for a recommendation do they need to write a letter?

Teachers will not need to write a letter of recommendation. We will contact your teacher for a reference as needed.

7. Will we be adding any other Spartan Schools?

Yes, we are currently looking to start a computer networking pathway. Also, in the near future we will be exploring the health science pathway in the next couple of years.

8. Will we be able to ask questions about the program and schools before registering for classes in the high school?

Yes, our Freshman Academy guidance counselor Mr. Nottingham will meet with current 8th graders at the end of January to answer any questions about our programs. You will also be able to ask questions about our Spartan schools at the TOIS Presentation on December 17, 2024. You may also email Mr. James Young at jyoung@oceanschools.org.
