

welcome to FIFTH GRADE

Dear Parents, Guardians, and Fifth Grader,

My name is Mrs. Cardine and I am so excited for our school year to begin! This will be my eleventh year as a teacher, and my third year at Uwchlan Hills. I teach math and science, two subjects I absolutely love, and I can't wait to dive into all the exciting things we'll be learning together. I'm looking forward to getting to know each of you and discovering what makes you unique. Outside of the classroom, I enjoy staying active by working out, practicing yoga, and playing softball. I also love listening to music, hiking, reading, playing games, and spending time with friends and family. This summer, I made the most of the sunshine by spending time outdoors, relaxing at the beach, and catching some live music.

I've always had a passion for both teaching and learning math, and I'm so excited to share that enthusiasm with you this year! We'll have a great time exploring different problem-solving strategies and discovering which ones work best for you. In science, get ready for some hands-on fun as we investigate a variety of exciting topics together!

This year, I will be communicating through the use of email and the Class Dojo app. More information regarding how to join my class on Class Dojo will be provided at Back to School Night on August 19th. I can't wait to meet you!

CONTACT INFORMATION:

*Email: scardine@dasd.org

*I will be using the Class Dojo app for communication with my homeroom and math classes only. I will provide information regarding how to join my class at back to school night.

MY FAVORITES:

Hobbies: Working out, yoga, hiking, reading
