Michael Gill – MCES

- We had a big crowd for Pastries with Parents on Tuesday, April 22. Parking lots were full.
- We had our Showcase of Learning on Thursday, April 24. We had a decent crowd, and it was a great way for students to defend their own learning.

- On Friday, May 2, we had our Ring the Bell for Literacy in coordination with the Metcalfe County Public Library. It was a very nice morning, and we had a wonderful crowd to celebrate reading.
- We've enjoyed a great week of spoiling our teachers in celebration of Teacher Appreciation Week.
- Today, third, fourth, and fifth-grade students completed Day 5 of the Kentucky Summative Assessment. We will still be testing in 5th grade on both Wednesday and Thursday, with make-ups scheduled for this Friday, May 16.
- This Friday, May 16, we will hold our Preschool Graduation at 10:00 a.m.
- On Friday, May 23, we will hold our Kindergarten Ceremony at 8:30 am and our 5th Grade Ceremony at 11:00 am in the Old School Gym.

- We are working on professional development opportunities for staff during the next school year.

Allen Trotter – DPP

- Action Item 5B would approve the amended calendar to reflect our NTI days and weather-related closings during the past school year. Thanks to Karen Blythe for working on this report.

Jenny Stotts – MCMS

- This past month, we have been busy preparing for the KSA tests. Currently, the 8th grade has one additional test to take tomorrow, but we should be wrapping up our testing very soon. Everyone has done a fantastic job at MCMS for being flexible and responsive to testing needs.
- Last week, we celebrated Staff and Teacher Appreciation Week. We showered our faculty with lots of food and gifts to show them how much we appreciate all that they do for the school. Without them, we would not be able to provide a safe and positive learning experience for our students.
- Recently, we finished i-Ready testing for the spring and have improvements to share. Based on spring math reports, 24% of students are above, mid, or on grade level. Compared to the fall, that percentage has increased by 11%. Additionally, 33% are slightly below the level in math. In reading, the results are much better, with 39% of students scoring above, mid, or on level in reading. Only 23% of students in the spring scored slightly below level in reading. Compared to the fall, students scored at the 24% level. This result shows an increase of 15% from fall to spring. Our RTI and intervention efforts are working at the middle school.
- Awards Days are next week for MCMS students.

Joseph Eaton – MCHS

- MCHS also celebrated Teacher Appreciation Week with lots of food.
- Testing for sophomores and juniors went well this year. We have a couple of students who need to finish testing this week.
- AP Lang and AP Computer Science exams are this week.
- Senior grades are in and being finalized.
- The Baccalaureate Service will be held on Sunday at 6:30 at the Edmonton Worship Center.
- Senior Breakfast will be held on Monday, May 19, at 8:00 a.m. at the Edmonton Worship Center.
- The first graduation practice, graduation photos, and Hornet Walk are Tuesday, May 20.
- Senior Awards Night is scheduled for Tuesday, May 20, at 6:00 p.m.
- Graduation is scheduled for May 23 at 7:00 p.m. in the MCHS Gym.
- Autumn Walker and Isaac South were both recently recognized as Student of the Month at Barren ATC.
- Corinne Keller placed 2nd for STAR events at the Regional FCCLA Meeting.
- Makayla Kerr was the MCHS Together We Grow: Youth Art Contest winner.
- The Spring Band Concert was last week, and our students did an amazing job! Ms. Riggins said she has 43 students in the Marching Band this time, and they have already started practicing.
- Our agriculture students have been busy recently with various activities, including the MCES Field Day and selling flowers for Mother's Day.
- Two of our exceptionally talented students, Shayla Garmon and Ava Ballard, are preparing for their European tour this summer, thanks to Kentucky Musicians Abroad.

- We recently took the freshman class on a tour of the Monroe ATC facility and visited with teachers to showcase the opportunities available in the years ahead.

Athletics:

- Lady Hornet Tennis fell in the 2nd round of the Regional Tournament after a historic 16-1 season.
- Softball still has a few games left with Senior Night tomorrow. District Tournament is on Sunday.
- Baseball still has a few games left, weather permitting, before they begin District play on Sunday. Senior Night was before tonight's meeting.
- Defense of Learning presentations by the high school Portrait of a Hornet pilot group will take place on Thursday.
- The sign is fixed at the football field, and it looks fantastic.

Mr. Hurt – Helping Hornets recently had a cookout for the county's first responders. Food services staff recently provided ribeye sandwiches for all district students and staff. A big thanks to our Ag students, the Kentucky Cattleman's Association, Green River Meats, and Taylor Belle's for their help in providing/cooking/serving meals.

Cheyenne Garmon – Chief Financial Analyst

- The Summer EBT program is similar to last year's benefits. It's not for all students. It's for students who qualify based on income, etc. The cards will be loaded automatically. The district's responsibility will be limited to providing student ID numbers to parents.
- Our Summer Feeding Program registration is underway. We have more than 680 students so far. Pickups are every Monday from June 2 – July 28.
- Additionally, we were awarded a Summer Boost Grant, which will enable us to provide free literacy and math materials to all students participating in our Summer Feeding Program.
- We are currently working with Finalsity on installing our new all-call system, "Messages XR," which will replace Send It in July.
- We are examining Senate Bill 181, which will restrict communications between teachers and students. We will see demos from a variety of companies, including Finalsity, which offer 2-way communication apps. The goal is for all district employees and coaches to use the same platform for student communication.

- We received the 21st Century afterschool continuation grant for Metcalfe County Middle School, and we are ready to get started on the new five-year cycle worth \$490,000.
- We are considering applying for two COPS grants. We have training opportunities for both programs. One program is for safety and violence prevention. The other is for hiring.
