

Record of Board Proceedings (Minutes)

The Metcalfe County Board of Education met at 709 West Stockton Street on Tuesday, June 10, 2025, at 6:00 PM for a regular monthly meeting. The following members were present:

1) Daniel Glass 2) Wes Jolly 3) Kelly Bell 4) Robby Parnell 5) Cassie Reece

Present	Absent
Superintendent Josh Hurt	Board Attorney

1) Call to Order

Daniel Glass – Call to order at 6pm
Superintendent Josh Hurt – Invocation
All – Pledge

2) Recognition

Herby Bunch	Transportation Director	Retirement
Patty Bunch	Family Resource Center Director	Retirement
Kim Coleman	MCES Guidance Counselor	Retirement
Lynn Hawkins	MCHS Ag and English Teacher	Retirement
Scott Roach (not present)	MCHS Science Teacher	Retirement
Bryant Stockton	MCHS English Teacher	Retirement

Metcalfe County Schools was named a National Beta District of Distinction for the 2024-25 school year. Superintendent Josh Hurt presented plaques to each school principal. An award will also be on display at the Central Office.

*Board recognitions are sponsored by RBS Design Group, Glass & Thompson Insurance, and American Fidelity.

3) Superintendent and Director Reports

Superintendent Josh Hurt

- Good finish to the school year with successful graduation and end-of-year ceremonies. Congratulations to everyone.
- Senate Bill 181 will significantly impact the entire district. The new traceable communications law takes effect June 27. We are meeting with principals and coaches tomorrow morning to discuss the details and the transition involved.
- There are other KSBA policy updates to consider, including a new maternity leave information.
- Action item 5D is the new salary schedule for 2025-2026. It includes another across-the-board pay raise for everyone. The increase was not based on a set percentage this year. Classified employees will receive an extra \$1.50 per hour, and certified employees will receive an increase of between \$1,500 and \$2,000 per year, which is approximately 2.5% to 4%. The raises are in addition to step increases. For the first time in Metcalfe County, a Rank III starting teacher will earn over \$40,000.
- Action item 5E is approval of the new board meeting dates, which include two working sessions from July through December. Any additional dates will be special-called meetings.
- On action item 5F, insurance rates have slightly increased.

- For action item 5I, bus garage parts, oil, and tires are bid out every year with the option to renew. This is a renewal year, so if approved, there will be no bid process this year. Next year, a bid process will be conducted.
- Action item 5L is read-only. No action will be required today.
- Action item 5N is the district's new 5-year strategic plan. The district has been working with Bill Adams and the folks from Studer Education for two years to develop the plan.

Michael Gill – MCES

- The MCES 21st Century Summer School Program began last week. The program runs for four weeks, concluding on Friday, June 27. Many students are attending the program.
- Four MCES BETA students will be attending the National Elementary BETA Convention in Orlando, Florida, June 27-29. Good luck to all of our BETA students. Payton Morgan is running for Vice President of the National Elementary BETA Club.

Jamie Moss – Exceptional Ed

- There are speech therapy and physical therapy contracts on the agenda. Since we are a small district, these services are contracted out because we do not have the need for additional full-time positions.

Jenny Stotts – MCMS

- MCMS celebrated end-of-the year awards for 6th, 7th, and 8th grade students. The 8th-grade Moving Up celebration was well-attended, with a packed auditorium. We plan to relocate the ceremony to a larger venue next year.
- The MCMS baseball team won the district tournament.
- Jackson George was named the chess club winner.
- Transition days were held for incoming 6th-grade students and incoming 9th-grade students to get them familiar with the new surroundings before the next school year begins.
- The MCMS Spring Fling raised approximately \$2,000.
- On June 18, Mrs. Jenny will join the GRREC Deeper Learning team in a presentation at the STEAM Academy in Lexington.

Stacey Slinker – HR

- Action item 5C is the new pay dates. These are similar to years past.
- The KSBA policy update includes up to 30 days of paid maternity leave for employees who give birth. The policy must be approved by July 2030. We are asking the board to consider the policy and any clarifications that will need to be added before it is adopted.

Board: *What is the current policy?*

Stacey: *FMLA and sick days, which can still be used concurrently with the new policy.*

Cheyenne Garmon – CFO

- On action item 5F, insurance rates are up a little in each section. This is due, in part, to our new buses, new athletic complex, and a couple of workers' comp claims. Our agent is comfortable with the increases and says we are still in good shape compared to other districts.

Allen Trotter – DPP

- Action item 5K will allow employees who are unsatisfied with the annual evaluations to appeal to a committee of their peers.
- Action item 5L is the new KSBA policies. The law requires two readings before action is taken. Tonight is the first read.
- Action item 5M comes from the feedback of the Impact Survey taken by district employees. All three schools have developed a Professional Growth Plan that enables teachers and staff to select content-related professional development opportunities.

Kelly Bell: *Can we add a requirement to the evaluation committee members that they meet a minimum number of years of experience?*

Allen: *Yes, we will consider this requirement during the voting process next year.*

Joseph Eaton – MCHS

- Corinne Keller and Abby Shirley attended HOBY last week at Berea College and had a great experience. They were able to develop leadership skills and hopefully return with great ideas and motivation to serve our school and community.
- The 21st Century Summer School has been going on for two weeks. Mrs. Sondra Jennings and Ms. Molly Rigsby do a fantastic job of providing a great experience for our students during this time.
- Credit Recovery is also going on at MCHS, and students have been coming in and earning credits that they would be missing from this past school year.
- Byron Kirkland-Lundy placed 3rd at the state track meet.
- Three teachers retired from MCHS this year. They will be greatly missed. We are still looking to hire one English teacher and one math teacher, but we expect to have all positions filled by next week.
- Graduation was a success.

Kelly Bell: *Great job on graduation. It was a very dignified, respectful, and student-centered ceremony.*

Britt Young – Transportation

- Grateful for the opportunity to be the district's new transportation director. Our main goal is to keep everyone safe, everywhere we go. Open to comments and suggestions.
- We have several folks interested in driving a bus. Permits are slowing down the process. We have one new driver ready to go.

Matt Shirley – Facilities/Digital Learning

- Most of the work at the new athletic complex has been completed. There is some concrete, dirt work, fencing, flooring, and other remaining tasks.
- Renovations of the baseball field continue, but were delayed due to draining issues from recent flooding.

Superintendent Josh Hurt on Behalf of Torrie Osbon for PR/Grants

- Torrie is working on a couple of grants. One of the grants is the COPS grant for school violence prevention through the Department of Justice.
- Torrie will also help navigate the district as it begins compliance with Senate Bill 181, which is the new traceable communication law that all public school districts in Kentucky must follow starting June 27. Finalsite, which the district already uses for its website and all-call system, will be the district's app of choice.

Bill Adams – Studer Education

- Here to discuss/answer questions about Action Item 5N, Consider the 2025-2030 Strategic Plan.
- Visited with district leaders and school principals seven to eight times a year to collect feedback from employees, students, parents, and the community to determine the needs of the district and how to have successful leadership moving forward.
- The committee has created a one-page document with three key pillars: students, team, and families. Under those pillars are expectations that are important to our district.
- If approved, the district will implement the strategic plan over the next five years.

4) Consent Items

a. Minutes

Tuesday, May 13, 2025 – regular monthly meeting

b. Fieldtrips

None

c. Fundraisers
