CE College Trigonometry (sem.)	CE Bella Voce (yr.)
CE College Stats w/ Quant. Lab (sem.)	CE Jazz Band (yr.)
	CE Wind Ensemble (yr.)

Eligible students earning a C or better in any concurrent enrollment course will receive college credit from CCA/ACC good toward a degree from any college or university in Colorado. If a student chooses to attend college out of state, he or she should check with that school to confirm the transfer of credit.

*****In order to be eligible to receive this free college credit in the fall, a student must complete the following: 1) Obtain an S number from the community college by applying for admission, 2) Meet the required prerequisite(s) and 3) Complete the Concurrent Enrollment Course Agreement. Completing step 1 prior to the first day of school will help with the overall registration process.

Note: If a student previously took a concurrent enrollment class, they may already have an S number (student ID number). If a student already has an S number, they do not need to enroll again unless their enrollment has become inactive. They do still need to complete the Concurrent Enrollment Course Agreement.
