

Crystal Lake Central

2025 Summer Newsletter

Message from the Principal

Tiger Families,

I know that summer is still in full swing, but it is exciting to be able to welcome you to the 2025-2026 school year! My hope is that you have been able to take some time this summer to unplug, enjoy moments with those close to you, and create lasting memories with family and friends.

Each day I am reminded of the special community here at Crystal Lake Central. Our student body cares for one another, our staff brings learning to life, and our families are true partners in the educational process. I wake up each day with an immense sense of gratitude for being able to work at this wonderful school!

To all our students preparing to walk through the doors in a few short weeks, remember, you make our school a better place. You belong here!

During this upcoming school year, our efforts remain focused on fostering a *path to purpose* for each student. That path is forged through intentional efforts to support all our students in exploring career pathways, creating four year course plans, and building relevance into each of our classes.

The journey along the path starts with TIGER PRIDE. Here at Crystal Lake Central, this means diving into the school culture, creating a community of belonging and acceptance, having a belief in yourself that you can succeed, and being PROUD to be a TIGER. This is accomplished by immersing yourself into the numerous extra curricular offerings that we have here at CLC. Please take a look at the entire list of offerings at clc.d155.org and consider trying something new!

Additionally, this year we will be focusing on what it means to be READY. We want all our students to be here each day, be ready to learn, and to be ready to experience all that high school has to offer. There is so much here for each of you and I am excited to be able to see all the successes that the year ahead brings!

I cannot wait to welcome all of you back to the building! As always, GO TIGERS!

Sincerely,
Carson Sterchi

- A parent or guardian must call the school each day a student misses all or part of his/her school day.
- You may leave information on the automated voicemail system 24 hours a day, or you may call the switchboard between the hours of 7 a.m. and 4 p.m.
- Written notes are not acceptable to excuse absences.
- A student is only allowed FIVE days of absence without question, per semester, provided there is a call from a parent. (*Note: Absences that are valid and accompanied by supporting documentation are not counted toward the five days of absence.*) Please see the student handbook or the website for further information.

24-Hour Attendance Hotline:

CELL PHONE USE

Students are ALLOWED to use their cell phones and headphones ONLY during passing periods, lunch periods, and study halls. The use of cellphones and other electronic devices are NOT ALLOWED in academic spaces. Cell phones must be OUT-OF-SIGHT and PUT AWAY during instructional time. If a student is actively using their phone or headphones outside of staff direction, there will be corresponding consequences. On the first offense, a discipline referral will be written and on the second offense the student will be sent directly to the Dean's office for additional consequences. For three or more infractions, additional interventions may be given.

ATTENDANCE NOTIFICATIONS

The school will use an automated calling system to alert parents when their student is considered absent/ truant. The notification system also allows the school to communicate via text message. Parents and guardians who gave permission to be called and/or texted and provided a mobile phone number during online registration will receive attendance notifications. Parents and guardians can revoke this consent at any time by notifying Shannon Podzimek, director of communications, spodzimek@d155.org, or by following the instructions in the automated phone call or text messages. Please ensure that your primary number stays up-to-date throughout the year so that we can provide you with pertinent information if necessary.

SCHOOL COMMUNICATIONS & EMERGENCY ALERT NOTIFICATIONS

D155 will use ParentSquare to communicate with you, and you will receive all district and school communication via email, text, or app. You can download the free mobile app for iOS or Android or use the desktop version at <http://www.parentsquare.com/> If you do not download the app, you will continue to receive notifications via email and emergency notifications via text, email, and phone call. Lunch release forms can be picked up during distribution day and returned on the first day of school. No freshmen or sophomores are allowed to leave campus during lunch. If a student chooses to violate this rule, consequences may include a four-hour detention for the first offense.

FREE OR REDUCED LUNCH FEE WAIVERS

EXTRACURRICULAR ACTIVITIES

For freshmen, new students, and those looking to explore new options, many questions revolve around extracurricular activities. Most students find that being involved in activities makes school more fun, helps them do better academically, and looks great on a resume when applying for jobs, college, awards, and scholarships! Encourage your student to check out the website for a description of each activity as well as check the announcements. Most organizations post “beginning of the year” meeting information on hallway walls in visible locations. Below is a list of activities, sponsors, and their email addresses. Students should contact the sponsor via email with questions or seek them out once school starts. We will also have an opportunity for students to explore student activities during Freshmen Orientation.

CLC BOOSTER CLUB

The CLC Booster Club is a volunteer group of parents like YOU that support all teams and clubs at the school. Helping coordinate events and fundraisers to raise money and have some fun, the CLC Boosters is a great way to be involved in your student's high school, meet fellow parents, and make a difference.

President: Kate Krallitsch

The CLC Boosters meet the first Wednesday of the month at 7:30 p.m. in the student center near the cafe. The next meeting will be held on the first day of school, **Wednesday, August 13**.
