Teacher of the Year

RACHEL KJERSTAD

Rachel Kjerstad has been a teacher in the Wall School District for seven years. She is an over-comer, a problem solver, an innovator, and a dynamic member of the teaching staff in the Wall School District. She is very patient and kind with her students, their parents, and her coworkers. In recent years, she has had a very full classroom filled with a wide variety of developmental kindergartners. Even though this poses a tough challenge for Rachel, she is able to design and develop appropriate lesson plans to meet all of her students needs.

Rachel has the ability to create a warm, welcoming, and inclusive learning environment. She recognizes that all students come from different backgrounds and have unique learning needs, and she works tirelessly to ensure that all students feel valued and supported. Rachel fosters a sense of community within her classroom, encouraging students to collaborate and engage in respectful dialogue with one another.

In addition to creating a positive classroom culture, Rachel also demonstrates a dedication to ongoing professional development. She stays well-informed of the latest educational trends and best practices, constantly seeking out new strategies to improve her teaching and ensure that their students are receiving the highest quality education possible. Rachel has a Master's Degree in Curriculum and Instruction with K-12 Math. She enjoys attending conferences where she can learn from other educators on how she can improve the quality of education for the students at Wall School and is willing to share what she has learned with her colleagues. Rachel is able to balance being a great teacher as well as a farm wife and mother to her five kids. She coaches elementary youth basketball for the students at Wall School and takes them to tournaments in the surrounding area. Rachel is a member of the local booster club and volunteers to buy and put together "goodie bags" for the students involved in extracurricular activities. She also serves on the negotiating team representing all teachers at the Wall School. Rachel works very hard for the Wall School District and I believe deserves to be recognized as Teacher of the Year.

The 2022 Football season will forever go down as one of the greatest seasons in the history of Wall Football. The Eagles captured their sixth consecutive WGP Conference Championship and entered the 9AA playoffs with an unblemished 8-0 record. The Eagles received the #1 overall seed and took on Stanley County in the 1st round of the playoffs. After a slow start and falling behind 8-0, the Eagles came flying back and won the game 58-8. In their quarterfinal matchup the Eagles would take on the #8 seed Bon Homme. The game was close throughout with Wall taking a 13-6 lead into halftime and prevailing in the end with a 20-12 victory. Wall would advance to the semi-finals for the 3rd straight year, this time squaring off with #4 seed Hamlin. The semi-final matchup was close but the Eagles were in control the entire game leading 10-0 at halftime and 23-7 after the third. The Wall Eagles won the semi-final 26-13 over Hamlin and headed back to the Dakota Dome for the first time since 2011. The community was rolling with positive support and the Eagles took off for Vermillion on November 9th. The Eagles would play Friday morning, November 11th vs the #6 seed Parkston Trojans. The game was a great battle and the Eagles put on a fantastic display of teamwork scoring in all aspects of the game. The scoring started with a blocked punt returned for a touchdown by Quinn Moon, followed up by a 33-yard field goal from Blair Blasius, then a 22-yard touchdown catch by Thane Simons (Burk pass), a last second touchdown catch before the half by Rylan McDonnell (Burk pass), another big field goal from 40 yards (Blair), and a 3-yard touchdown run by Brodi Sundall to finish things off. The Eagles defense forced 3 turnovers and allowed just 14 points on the day. Behind the efforts of their team and amazing student athletes, Wall prevailed with a 34-14 victory over Parkston! The Eagles did it!! They brought back the first State Football Championship since the 1994 season (28 years ago). The Eagles finished their unforgettable season with a perfect 12-0 record, outscoring their opponents 556 to 79. The season was full of amazing memories, had amazing community/school support, and will be one to forever remember. --Coach Heathershaw

We were beyond blessed to have had the opportunity to coach and mentor twenty-five young ladies this season. Together we have had great moments. This season it was a lot of about adjustments and growth for all of us. I truly believe we grown as a team and that today we are stronger and better than we were yesterday. Always excited for the next chapter Go Lady Eagles. Coach Fitch

You've got what it takes, but it
will take everything you've

got!

The 2022-2023 Wall Eagles Cross Country team was made up of fifteen athletes. (Juniors) Ben Amundson, Alexis Stephan, Jayda Reinert and Terryn Shearer. (Sophomores) Taylee Dartt and Sophia Zwitkis. (Freshman) Talon Anderson, Sam Dennis and Maranda Poor Bear (8th Grade) Tobyn Teigen and Aidan Craven. (7th Grade) Chance Wagner and Callie Casjens (6th Grade) Berkeley Fink and Ciara Cerney. This season the Eagles welcomed many new faces to the sport, and our "veterans" did a great job leading the team through practices and to thirteen different meets. Throughout most of the season, the Eagles were able to run with a complete boy and girls' team, and they were even able to run ten runners in the state meet. Each athlete on the Eagles Cross Country team had a successful season. They showed up every day; many athletes were dual sport athletes as well, and they worked hard no matter what obstacles presented themselves. Their hard work and dedication did not go unnoticed; I am very proud of everyone's growth and performances throughout the season, and I know each runner will continue to have a bright future ahead of them. Keep working hard, running whole-heartedly, and push/encourage one another to be the best team possible. Coach Kier

The 2022-23 Boys Basketball season ended short of where the team had hoped; but they won some exciting contests, and proved their ability to compete with top opponents on several occasions. The team played in its first ever Lakota Nation Invitational; which was a fun experience from start to finish. The Eagles competed well in each contest at the Invitational, with a triple overtime victory of McLaughlin; who would go on to compete in the SoDak 16 for the class A division. They also lost in an overtime contest to Crow Creek and ended up with a 1-3 record to start the season.

The Eagles scratched their way back to 500 on several occasions throughout the season, but ended with a losing record of 10-11, after falling to Jones County in the 1st round of playoffs. The season was riddled with injuries, which had a tremendous effect on some of the close contests. The Eagles will greatly miss their lone senior (Cedar Amiotte), who led the team in almost every category and played almost every minute of the 21 varsity contests. Brodi Sundall battled through a shoulder injury all season, which required surgery the week following their final contest. The Eagles look to soar high above expectations next season, with a healthy Brodi; and a supporting cast that will be fun to watch. -Coach Kjerstad

Some people want it to happen. Some wish it would happen. Others make it happen.
--Michael Jordan

This basketball season was one to remember. The Lady Eagles started the season getting snowed in, in Rapid City for a week during their first ever appearance at the UHL. They went 2-2 at the tournament and went into the new year with an overall record of 3-4. The Lady Eagles turned things around in the new year and finished the regular season 15-5 and were Conference Champions. After having won both of their region games, they qualified for the SoDak 16 game and beat a tough Warner Monarchs team to advance to the state tournament. The girls earned the 5th seed and played Sully Buttes in the first round; winning 58-50. The next round they faced the #1 seeded team in the state Wolsey-Wessington. News reporters voted the semi-final game of the best games in state history. The Lady Eagles won that game 76-72 which sent them to their first ever state high school championship game against Viborg-Hurley. The girls fought hard but fell to the Cougars 61-71. Nora Vinger, Paige Kjerstad and Rhea Tucker were named to the State All-Tournament Team as well as All-Conference Team. They ended the season 20-6

GYMNASTICS

Head Coach: Jacey Hays

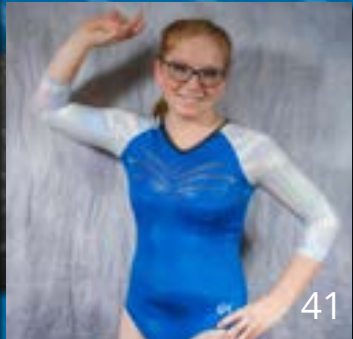

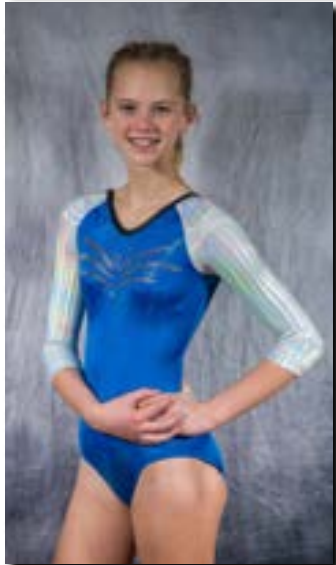

Asst. Coach: Jami Moon

Taityn Shearer, Piper Cordes, Lucy Moon, Attison Nachtigall, Athena Simons, Callie Casjens, Sophia Zwikis, Sadie Gewerth, Coach Hays

*To be a gymnast you must have the
STRENGTH to hold on and the
COURAGE to let go*

The Wall/Kadoka/Philip gymnastics team had 13 girls this year: senior Rehgan Larson; juniors Piper Cordes, Amya Camp, and Raine Snyder; sophomores Lucy Moon and Sophia Zwikis; freshmen Athena Simons and Attison Nachtigall; 8th graders Jyrzee Collier and Ella Schofield; 7th grader Callie Casjens; 6th graders Sadie Gewerth and Taityn Shearer. The girls had an awesome season! Definitely not one of these girls will forget, nor will I! Throughout the season, the girls worked so hard to improve both in their individual goals, as well as their team goals. Their hard work was evident by how quickly they added new skills as well as showed in the team scores every meet. I am so proud of these girls for their hard work and dedication to this team! One of the biggest highlights of our season was that the varsity team: Piper Cordes, Lucy Moon, Athena Simons, Rehgan Larson, Amya Camp, Raine Snyder, Jyrzee Collier, and Ella Schofield; broke the record for the highest team score, not once, but twice this season! The first time they broke the record was on January 20, 2023 in Stanley County with a score of 129.0. The second time these eight girls broke the record was on January 30, 2023 in Hot Springs with a score of 130.65. Another highlight from our season was having five girls make it to State Gymnastics this year, and two girls being chosen to exhibition at the state meet. Piper Cordes qualified in all four events: Vault, Bars, Beam, and Floor. Lucy Moon qualified on Beam. Amya Camp and Ella Schofield qualified on Vault. Raine Snyder qualified on Bars. Athena Simons was our exhibition gymnast on Vault. Rehgan Larson was our exhibition gymnast on Floor. Piper Cordes placed 4th on Vault and 13th on Floor. Lucy Moon placed 14th on Beam. 2023 was another very successful year for the Wall Eagle Track Teams. Senior Rylan McDonnell became widely recognized as one of the top track athletes in the state regardless of class. Rylan broke the school's long jump record at the Wall invitational and again at the Eagle Qualifier in spectacular fashion setting the record at 22' 9". He went into the State meet as the number one jumper in both the long jump and the triple jump, winning both as well as recording the Gold Medal long jump at 22' 8.25" while also taking seventh place in the 100m. A very young team composed of Chase Carlbom, Austan Kjerstad, Dawson Handcock, and Tanner Volmer qualified in the top 24 to take the 4x400 and 4x800 teams to run at the state track meet. The Girls Track and Field team again paced by Senior thrower April Schulz dominated in the Region 7B and the Western Great Plains Conference winning both titles as well as the Wall Invite, The Eagle Qualifier, and the Lyman Co. Track meet. All of the girls' relay teams qualified in the top 24 for the state track meet with the team of Nora Dinger, Taylor McDonnell, Paige Kjerstad, and Rhea Tucker taking the silver medal in a school record time of 1:48.90. The 4x100 team of Rhea Tucker, Emmy Moon, Taylor McDonnell and Paige Kjerstad finished in 7th place with a school record time of 4:14.51 while Paige Kjerstad finished 4th in the 400m at 59.66 breaking a twenty-eight-year-old school record.

NIGHTTIME IN GREECE

Words of Wisdom

YOU MUST BE WILLING TO DO
THE THINGS TODAY OTHERS
WONT DO, IN ORDER TO HAVE
THE THINGS TOMORROW
OTHERS WONT HAVE.

The journey of a
thousand miles
begins with one
step. -- LaoTzu

Believe in yourself and all
that you are. Know that there is
something inside you that is
greater than any obstacle.

--Christian D. Larson

The future belongs to
those who believe in the
beauty of their dreams.
-Eleanor Roosevelt

To acquire
knowledge, one must
study; but to
acquire wisdom, one
must observe.

When you see
something beautiful in
someone, tell them. It
may take seconds to
say, but for them, it
could last a lifetime!

If you hang out with chickens, you're going to cluck like one.
If you hang out with EAGLES, you're going to soar like one!

SPECIAL THANKS!

A huge thank you to Mama Law's Photography for capturing and
sharing all the great pictures of our Wall Eagles!
This yearbook would not be possible without you!!

Thank You Bonnie!!
