Class History

Four years ago twenty-four young and innocent little Freshmen entered Wall High School. Out of our twenty-four graduating Seniors seven have completed twelve years of school in Wall. They are Marvin Van, Sharon Dartt, Sandra Pierce, Gary Stone, Jerry Hindman, Wanda Eisenbraun, and Donna Muller.

Our Freshman year the following students entered Wall High School: Noel Byerly, Marjorie Campbell, Janet Dartt, Sharon Paulsen, Lorraine Eisenbraun, John Eisenbraun, Paula Eisenbraun, Wanda Eisenbraun, Dawna Freeman, Beverly Gabriel, Ruby Helms, Jerry Hindman, Della Knapp, Larry Long, Kenneth Marsden, Donna Muller, Sharon Dartt, Sandra Pierce, Frankie Pierce, Oskar Stroble, Gary Stone, Marvin Van, Daisy Vaughn, Robert White, and our sponsor was Mr. Dartt. We started out our Freshman year with a bang by being initiated.

We started out our Sophomore year with five new students. They were Rita Lineback, Rose Schrieber, DeWayne Kenton, Jerry Kjerstad, and Dick Kjerstad; but we lost Dawna Freeman and Bob White. Frankie Pierce died after a sudden illness toward the latter part of our Sophomore year. Our Sophomore sponsor was Mr. Reiman.

Our Junior year two new students entered our class. They were Patty Cihawk and Carmen Ghering. At the beginning of the year John Eisenbraun, Rita Lineback, and Larry Long transferred to another school, and Daisy Vaughn quit high school. The highlights of this year were the Junior-Senior prom and the Junior-Senior play. Our sponsor was Mr. Hauffe.

During our Senior year two new students transferred to Wall. They were Lyle Bennet and Barbara LaFee. The love bug caught Marjorie Campbell and Barbara LaFee bringing the total of our class to twenty-four. Our sponsor was Mr. Hildebrandt. Now that we have completed four years of high school successfully, we feel that we are ready to face the future with warm courage and high hope.

"Class Prophecy"

I, Beverly Gabriel, decided to take a trip to South Dakota to see one of my high school classmates. I live in Fairbanks, Alaska with my husband where I have been teaching school. After I graduated from high school, I went on to college at Spearfish and took up teaching. Along with my teaching I give piano lessons in my home. I have two small boys who go to nursery school while I teach.

I flew to South Dakota and went to see Ruby Helms. She worked after she graduated and later became the wife of a schoolmate. She lives on a ranch north of Wall and is the mother of a small girl. Ruby has won the National 4-H Award for being in 4-H work for fifteen years. We decided to take a trip and visit all our classmates that we graduated with from Wall High School.

Lorraine Eisenbraun lives in Quinn, so we planned to visit her first. Lorraine went to college after she graduated from high school. She graduated from Spearfish and is teaching in Quinn. She married a classmate from college. Lorraine was the first mother in South Dakota to give birth to quintuplets.

After visiting with Lorraine we went to Iowa where Jerry Kjerstad lives. He lives near Des Moines, where he owns a large farm. Jerry has come a long way in the field of Agriculture. He has won a Golden Ear of Corn for having the best field of corn in the corn belt. Jerry is married and has a family of six.

Our next stop was in Indianapolis, Indiana. This is where Oskar Strobel is football coach. During his college days at Northern State Teachers College he became Northern's star football player. After he graduated from there, he went to Chicago and married and then went to Indiana.

Then we went on to Chicago, Illinois to see DeWayne Kenton who is World's Championship Wrestler on TV. He joined the Air Force after he graduated from high school. Then he went on to college and took up wrestling. His nickname is "Bone Crusher."

We left Chicago and traveled on to Cambridge, Massachusetts. Beverly always wanted to visit Harvard University, so we decided we would stop in for a while. As we were touring the campus, whom should we meet, but Marvin Van. He has graduated from Dakota Wesleyan and is now a psychiatrist at Harvard University. He married a girl from South Dakota and is the father of four boys.

As long as we were traveling we decided we couldn't miss New York City. We decided to spend the night in a big hotel. Just before we went to our room we picked up a copy of the New York Times and discovered that Lyle Bennet is the editor of this famous newspaper. We went to see him and found out that he has graduated from a college where he had majored in journalism.

From New York we decided to follow the coast on to where Carmen Ghering is living. She has completed a course in Business Accounting at the National School of Business in Rapid City, South Dakota. She married an Air Force man and is the mother of twin boys. She is working for a big firm in Raleigh, North Carolina.

We continued on down the coast to Miami, Florida where Beverly's twelve year classmate, Sharon Paulson is living. She has graduated from college and is married to a professor of a college near Miami. She is the mother of two small children.

Ruby has wanted to have a ship ride, so she had her chance when we went to see Paula Eisenbraun, who is a missionary in Puerto Rico. She graduated from a Lutheran College and is stationed in Puerto Rico with her husband who is also a missionary.

We didn't have any stops from Puerto Rico until we flew into Dallas, Texas. From the airport we called Wanda Eisenbraun and Kenneth Marsden. They came to Dallas and we went to Kenneth's ranch which is near Dallas. Kenneth has graduated from college and is the father of three children which have dark curly hair. Wanda went to California after graduating from high school and was a singing secretary for Guy Lombardo. After working for Guy Lombardo for two years she married a Dallas rancher and moved to Dallas, Texas.

We went from there up to Oklahoma City, Oklahoma to see Janet Dartt. She worked at the W.R.E.A. Office in Wall after she graduated from high school. She worked there until she married. Her husband is the basketball coach at Oklahoma State College and she is the Pep Club Advisor there.

Then, on to New Mexico. Rose Schrieber is married and is teaching school in the capital, Santa Fe. She teaches her own children. She graduated from Black Hills Teachers College in Spearfish, South Dakota.

We went on to Utah to see Noel Byerly. He went to the School of Mines and took up engineering. He now owns a large construction company which is called the Byerly's Dirt Diggers. The head office is at Salt Lake City.

From here we went to Tuscon, Arizona. Della Knapp lives here. She married right after graduating from high school. She is the happy mother of a small boy and girl. She and her husband own a big ranch near Tuscon.

Gary Stone lives in San Diego, California. He graduated from mechanic school and now designs Chevy cars for General Motors. He married a girl from South Dakota and has four small girls.

Then we headed for the open plains of Nevada. This is where Sandra Pierce lives. She went to work after graduating from Wall High School. She later married and she and her husband moved to Nevada. They live on a large ranch near Carson City, Nevada.

Then we went to see Donna Muller. She married an Air Force man soon after graduating from high school. Her husband was stationed in Hawaii. She gives Hula dance lessons in Honolulu.

We flew back to the mainland. We went to see Jerry Hindman, who is at Portland, Oregon. Jerry graduated from Wall High School and worked at the Wall Drug Store. After serving two years in the army, he built a Cocktail Lounge in Portland.

Sharon Dartt lives in the next state which is Washington. She went to college and started working as a private secretary in an office in Seattle. She later married her boss and lives in a luxurious home in Seattle.

Neither one of us had ever ridden in a helicopter so we decided this would be a good way to see Marjorie VanVleck. She now lives in Boise, Idaho. Marjorie's husband owns a large lumberyard here in Boise. It is called Vleck's Lumberyard.

On our way home we stopped in Wyoming to see Dick Kjerstad. Dick graduated from college and now owns a large cattle ranch near New Castle, Wyoming. He is married to a former schoolmate and has two sets of twins.

Our last stop was in Wicksville, South Dakota. Pete Busch owns a large cattle ranch here. After he graduated from Wall High School he vacationed in Germany and later married a fraulein. He brought her to the United States when he came home from his vacation and bought the ranch.

We enjoyed our trip very much. We found out that the class of 1960 has come a long way in the past ten years.
