MR. BAUMBERGER - SUPT.

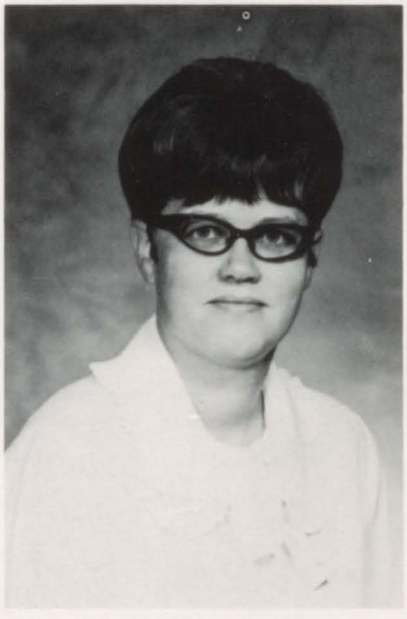

Mr. Baumberger has been at Wall High for three years now. His duties included many. He's been known to fix furnaces, mop floors, do dishes and take good care of his secretary along with his numerous other duties. We are very fortunate to have such a fine man for our superintendent.

MR. DOYLE - PRIN.

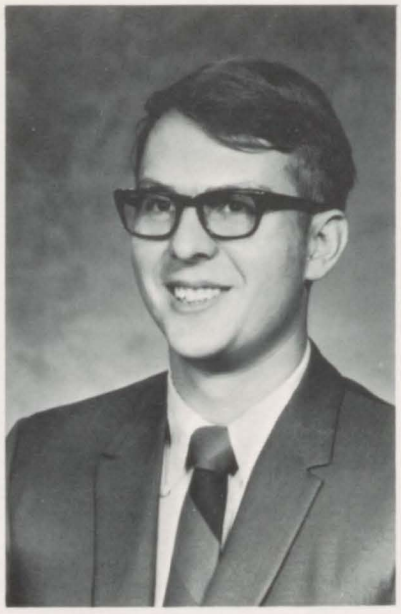

Mr. Doyle can whip up a schedule in a matter of seconds. He is very busy helping the students out as much as he can and keeping order. What would we do without him?

MRS. DOYLE - SEC.

Mary Jane Doyle is one of the finer assets of Wall High School. She works hard to keep the books straight and is always taking care of telephone calls and many other things. We are all grateful to have Mrs. Doyle here at W.H.S.

As we slowly close the door to our high school education, we gaze back at the reflection of many fond memories. The class of "71" has achieved much fame during its four short years. We donated a scoreboard for the new gymnasium, using money from ticket sales at carnival time. We were also the only class to ever have Carnival King and Queen for four years-(the past year it was referred to as Dogpatch King and Queen.) The "71ers" were the first class to graduate in the new gymnasium. There are the events of these four years that will always be treasured, as one would treasure jewels. These gems must be encased in velvet to always be remembered, but room must be left in our treasurer chests for future experiences. We've only begun our collection of memories.

JR. CLASS OFFICERS

Junior Class Officers: Craig Bryan, Representative; Jackie Hunter, Secretary; Mr. Dugger, Class Advisor; Bill Smoot, President; Mr. Luse, Class Advisor; Jim Clark, Vice President; Gale Lewis, Treasurer.

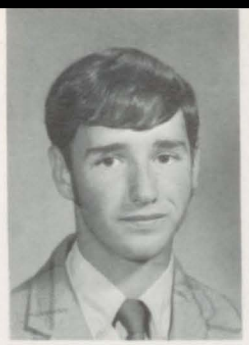

The Junior Class consists of 42 students. The year of 1970-71 has been a very progressive year for our enthusiastic class. The numerous activities that we participated in includes; The Junior Class Play, Finders Creepers, which turned out to be a great success. Other activities were fund raising programs. We sold magazines, and sold food at the concession stands. We all worked hard and made money for our Junior--Senior Prom. The Prom was held April 30, 1971, at the Cactus Cafe and Lounge.

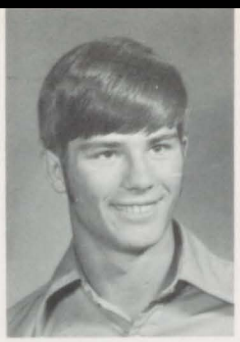

We Juniors had a very successful year and we look for the next year to be just as successful.

"Students, I must congratulate you on sitting so quietly through the film today."

The class of "73" has begun to feel more a part of W.H.S. We look forward to next year, being upper classmen and loafing in the honor room.

This year we won second place for our float in the Homecoming Parade. It was entitled "We Raise Winners."

We hope to set new goals and improve our coming two years of high school in W.H.S.

Looking back over our Freshman year we find that there will always be memories of the things we did. For instance our maneuvering through the ole combat field of W.H.S. We have had lots of fun doing the most unusual things every Freshman does. We hope that the underclassman have as much fun as we did and in turn hope to continue the fun in our following Wall High years.

RESOURCE CENTER

Librarians: Left to Right, Mrs. Gorder, Mrs. Johnson. Student librarians: Marlene Geigle, Darla Talty.

Mrs. Johnson has taken very good care of the resource center this year. She was assisted by Mrs. Gorder until Mrs. Gorder was transferred to the Kube Table School. Mrs. Benne then joined us at Wall High to help in the Resource Center. Darla Talty and Marlene Geigle also helped. These people did a very fine job in keeping the students in line. We couldn't have done without them.

The student council is the governing body of Wall High. It consists of elected officers and one representative from each class. The officers are elected in the spring of each year and serve during the coming school year. The council is in charge of the homecoming parade, coronation, school parties, and dances. The council has been very busy during the past school year with revising old school policies and problems which have arose. We feel we have been quite successful in solving the problems of 1970-71.

Chances were sold by each class on a prize of their choice. The King and Queen were crowned from the "Class of 71" for the fourth consecutive year. The Daisy Mae and Lil Abner costume prizes were won by Connie Olic and Kim Benne. The occasion was enjoyec by most.

The Badlands Rosette Chapter of the Future Homemakers of America is very active in home and community activities. This year we have gave the senior citizens of Wall and the people in the old folks home in Quinn baskets with fruit, cookies, etc. for Christmas, with a potluck supper for the mothers following. We also have had a Daddy-Date Night, where all the FHA members bring either their fathers or some male relative of theirs and ate a pot-luck supper with games following. We invited members of other FHA's from around to come to a get-together, where we got aquainted with other FHAers. Two of our members were on TV promoting FHA week where we gave baskets to the teachers, had a red and white day, a Mr. Irresistable Day, and put a display in one stores' window explaining what FHA is all about. I think this organization does many good things and is very worthwhile.

On the nights of Nov. 22nd and 23rd, 1970, the Wall Legion Hall echoed with laughter from the Jr. Class Play, "Finder's Creepers." We, the Jr. Class, struggled very hard for one solid month to make the play a success. Even though it was hard work, we had a RIOT!! We'll never know how our director, Mrs. Paulsen, put up with us. This play will always be a treasured memory of our high school experiences.

Mixed Chorus

This fine group received praises at numerous concerts throughout the year. They participated in the large group contest at Philip and did a great job singing Onward Ye Peoples and If I Rulled the World. The efforts of these students and their director were well received at each of their performances.

Girls Glee

Mr. Gorder did an excellent job this year directing this musical organization. At the large group contest in Philip, Girls Glee received a 2+ or excellent plus rating, for their interpretation of America Our Heritage, and The Heavens are Declaring. Much work goes into a group like this and not only should a fine director receive praise but the students who participated should be congratulated for their fine efforts.
