The National Honor Society inducted 15 members into its organization May 17, 1976. The Society recognizes and honors those students who excell in academics. They are selected according to the criteria of Scholarship, Leadership, Character and Service. This is the highest academic honor a student can receive.

The Varsity Club consists of girl and boy athletes who have lettered in either football, basketball, wrestling, gymnastics or track. The group was organized to give recognition to those that have worked hard for their teams.

The primary purpose of the Future Farmers of America Organization is for the development of leadership, citizenship, and cooperation. In working toward that goal the Wall Chapter has involved students in activities in Kansas City, Mo., Denver, Colo., Oklahoma City, Okla., Brookings, S.D., Newell, Sturgis, Lemmon, and Rapid City. Total miles traveled would exceed 4000 miles. Activities included stock shows, National F.F.A. Conventions, state conventions, judging contests, and leadership development schools.

Locally the Wall F.F.A. conducts meetings, learns parliamentary procedure, carries on crop and livestock projects, holds educational programs in our school such as the barnyard nursery and Food for America Program. The F.F.A. also hosts two of the West River F.F.A. activities such as the District Farm Mechanics Contest, and the West River Range and Soils judging contest.

The F.F.A. rewards its members in experience gained in various learning activities as well as through awards earned. The Green Hand Pin, Chapter Farmer Pins, various and numerous proficiency awards, and the ultimate goal of the F.F.A. -The American Farmer Degree.

Money used to conduct our program is earned by the members through the annual slave sale and citrus fruit sales.
