Dear Families,

It's hard to believe that the beginning of the school year is just around the corner! I am so excited to welcome your child into our classroom. Second grade is a wonderful year full of growth, creativity, and new discoveries. I'm looking forward to supporting your child every step of the way.

In our classroom, students will learn in fun, meaningful, and engaging ways. I strive to create a safe and supportive environment where learners feel comfortable taking risks and being themselves. We will start the year by building a strong classroom community, establishing routines, and getting to know one another. I firmly believe in nurturing the whole child—socially, emotionally, and academically—so that each student can flourish.

Our classroom wouldn't be complete without you, the parents and guardians! I truly value your partnership and look forward to working closely with each of you this year. Please don't hesitate to reach out with any questions, comments, or concerns.

For the first day of school, please be sure your child brings: A healthy snack, a water bottle, lunch (or money in their lunch account), and a backpack with the suggested supplies from the list on the left.

I look forward to meeting you at Back to School Night!

Warmly,
Miss Kirsten Noll
