If two or more Board members are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.
8. A Board member's ceasing to discharge the duties of the office for the period of three consecutive months, except when prevented by sickness or when absent from the state with the permission required by law (Government Code 1770)

13. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s) (Education Code 5090, 5326, 5328)

Timelines for Filling a Vacancy

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
2. When a vacancy occurs between six months and 130 days before a regularly scheduled Board election at which the vacant position is not scheduled to be filled, the vacancy shall be filled by a special election consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position was elected to fill. (Education Code 5093)
3. When a vacancy occurs any time outside of the statutory time windows identified in Items #1 and #2 above, the Board shall either order an election or make a provisional appointment within 60 days of the date of the vacancy or the filing of the member's deferred resignation, whichever is sooner. (Education Code Section 5091, 5093)

Eligibility for Appointment

In order to be appointed to fill a vacancy on the Board, a person must meet the eligibility requirements specified in law and Board Bylaw 9220-Governing Board Elections.

Provisional Appointments

When, as authorized by law, the Board has opted to make a provisional appointment to fill a vacancy, the Board, by resolution, may approve the procedures for selecting the person to be provisionally appointed to fill the vacancy. These procedures may, but are not required to, include the following:

1. Advertising in the local media to solicit candidate applications.
2. Establishing a committee consisting of less than a quorum of the Board to ensure that applicants are eligible for Board membership and announce the names of the eligible candidates.
3. Interviewing the candidates at a public meeting.

Within 10 days after the Board makes a provisional appointment to fill a Board vacancy, the Superintendent or designee, on behalf of the Board shall post a notice of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The Superintendent or designee shall post the notice as follows: (Education Code Section 5092)

1. In three public places within the district or, if applicable, trustee area.
2. On the district's website
3. In a newspaper of general circulation published in the district, if such a newspaper exists.

The notice shall contain: (Education Code 5092)

1. The fact of the vacancy or resignation
2. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation
3. The full name of the provisional appointee to the Board and the date of the provisional appointee's appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent of Schools within 30 days of the provisional appointment, the appointment shall become an effective appointment

The person appointed shall only hold office until the next regularly scheduled election for district Board members (Education Code 5091)

If within 30 days of the Board's appointment, registered voters of the district or, where elections are by trustee areas, of the trustee area, submit a petition for special election that the County Superintendent determines to be legally

sufficient, the provisional appointment is terminated, and a special election shall be held in accordance with Education Code Section 5091 to fill the vacancy.

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated, and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

When, as authorized by law, the Board seeks to make an appointment because of a failure to elect, the Board, by resolution, may approve any additional procedures for selecting the person to be appointed to fill the vacancy.
