Section 1.01 - Co-Curricular Philosophies

The Oregon School District ("District") believes Co-Curricular activities are an integral part of the total educational process. Through participation in these opportunities, students can experience activities that will enrich their lives and teach them lessons of personal growth, sportsmanship and teamwork. The District strives to provide quality experiences for students. Co-Curricular activities provide unique opportunities for participants to promote their intellectual, social, artistic and physical development.

Although Co-Curricular activities are a valuable part of the total educational experience, participation in them is a privilege, not a right. With this privilege carries responsibilities and expectations that promote growth towards becoming a responsible member of society. Participants must abide by the rules and responsibilities that apply to each Co-Curricular program in which they are involved in order to continue participating in these activities. Co-Curricular participants are expected to be responsible to themselves and their family, school and community.

Section 1.02 - Goals of Co-Curricular Activity Participation

The District's goals in making Co-Curricular activities available to students are:

- Educate participants to strive for excellence;
- Encourage participation and help participants realize that participation in Co-Curricular activities is a privilege with accompanying responsibilities;
- Provide activities for participants with varied needs, interests and abilities that teach self-discipline, loyalty, team play, cooperation, personal and team pride, respect for the rights of others and leadership skills; and
- Provide school experiences of interest in an effort to develop a sense of connectedness and commitment to both school and community

Section 1.05 - Term of Code Applicability

The Code will be enforced for the participant's entire enrollment period, beginning with the date of first participation in a Co-Curricular activity through the last date of participation in all activities, including during the summer months and off seasons. SECTION 2 - STANDARDS FOR PARTICIPATION

Section 2.01 - Interaction with Other Standards

Co-Curricular sanctions will be imposed in addition to those imposed for violation of the code of conduct set forth in the school handbook or other sanctions imposed by the District.

Section 2.02.01 - Attendance Standards

Participants and their parents/guardians must follow District attendance procedures. Participants are expected to be in school and attend their classes unless their absence is approved as allowed by Board Policy and/or the Family Handbook. If a participant is going to miss a co-curricular activity (practice, competition, performance, etc.), the participant should inform the coach or advisor in advance.

Parents/Guardians and students should monitor their student attendance status through the parent portal in Infinite Campus.

Practice Day

In order to participate in practice or an activity, the student must attend at least 3/4 of their school day unless excused by:

- written documentation from a medical professional;
- attending an approved school event;
- a parent /guardian provided the student attends at least one class period; or
- the Director of Athletics or other administrator.

For most students, 3/4 of the regular school day is 6 classes per day not including lunch.

Performance or Competition Day

In order to participate in a performance or competition, the student must attend all of the school day unless excused by:

- written documentation from a medical professional for a medical appointment (and not illness);
- attending an approved school event; or
- the Director of Athletics or other administrator.

Any unexcused absence during any day of the season, as indicated by Code A in Infinite Campus, will result in the student not competing in the next scheduled contest or performance, regardless of the level of competition or performance.

- Students will have one business day to correct any marking errors with the teacher, or other school staff, or to obtain the necessary documentation to correct their attendance record. Thereafter, an unexcused absence will result in the loss of eligibility the next date of competition or performance.
- It is the responsibility of the student to clear the attendance issue.

Section 2.02.02 - Involvement in Multiple Co-Curricular Activities:

Conflicts may occur when a participant is involved in more than one Co-Curricular activity at the same time. Ideally, arrangements will be made in advance, with the advisors/coaches/directors to allow the participant to engage in both activities. If the conflict cannot be resolved at this level, the participant may contact the building administrator to resolve the conflict.

Section 2.02.03 - Suspension

An out-of-school suspension renders the participant ineligible to participate in all performances, competitions or activities throughout the duration of the suspension. A participant receiving an in-school suspension may be ineligible to participate in activities at the building administrator's discretion. When a suspension and a code violation occur simultaneously, the participant must serve the applicable code violation penalty after the conclusion of the suspension. Time missed from the activity for the suspension shall not count toward service of the Code penalty.

Section 2.03 - Academic Standards

A participant shall maintain the following academic requirements in order to participate in Co-Curricular activities:

Section 2.03.01 - Enrollment

A participant must meet District and Department of Public Instruction requirements defining a full-time participant and be enrolled and receiving passing grades a minimum of five classes or the equivalent of twenty-five hours of course work per week. A WIAA sports participant may be a Home-based Private Education (home school) student who resides in the school district and meets the state law definition of Home-based Private Education student and meets all WIAA requirements.

Section 2.03.02 - Grade Point Average

A participant must maintain a minimum of 2.0 grade point average ("GPA") at the end of each semester grading period (not cumulative) starting in ninth grade.

A participant not meeting the semester GPA standard will be suspended from all activities for a minimum of fifteen (15) consecutively scheduled school days and nights during the school year. For 2nd semester GPA suspensions, see the WIAA Fall Ineligibility Chart in section 2.03.05. Students unable to demonstrate passing grades at the end of the ineligibility period will be ineligible until they can demonstrate passing grades. The Building Administrator or Director of Athletics will have to approve any grade adjustments that occur after the official grade report is produced.

Students' GPAs will be checked at the start of each season based on their GPA from the most recently completed semester. If a participant did not meet the GPA standard, they must demonstrate passing grades to be eligible for participation. See the Grade Check Time Periods listed in Appendix A for more information.

Section 2.03.03 - Mid-Quarter Reports

A participant who has an "F" at progress report time (twice a semester) will be required to turn in a weekly Co-Curricular Progress Report Form (see Appendix B) to their Advisor/Director until the participant meets the academic standard. Athletes must turn in the Progress Report Form to the Director of Athletics.

Section 2.03.04 - Quarter Report Cards

A participant who has an "F" or an incomplete on a quarter report card will be academically ineligible until the participant achieves a passing grade in the class or eliminates the incomplete. A Co-Curricular Progress Report Form (see Appendix B) must be submitted to their Advisor/Director to show passing grades. Prior to that occurring, the participant will be able to practice or participate, but will not be allowed to participate in competition or performance.

If a participant receives two or more failing grades and/or incompletes, the participant is immediately ineligible for all Co-Curricular activities. A participant with two or more failing grades must complete an academic eligibility form signed by teachers and parents/guardians detailing plans to demonstrate learning progress to regain academic eligibility for participation. This form will be provided by the Director of Athletics.

Section 2.03.05 – Semester Report Cards

A participant who has an incomplete on a semester report card will be academically ineligible until the participant eliminates the incomplete. Prior to that occurring, the participant will be able to practice or participate, but will not be allowed to participate in competition or performance.

A participant who has an “F” on a semester report card will be academically ineligible and suspended from all activities for a minimum of fifteen (15) consecutively scheduled school days and nights. The participant will be able to practice, but will not be allowed to participate in competition or performance.

If a participant receives two or more failing grades and/or incompletes, the participant is immediately ineligible for all Co-Curricular practices, activities and competition or performance. A participant will be academically ineligible and suspended from all activities for a minimum of fifteen (15) consecutively scheduled school days and nights.

Students unable to demonstrate passing grades at the end of the ineligibility period will be ineligible until they can demonstrate passing grades. The Building Administrator or Director of Athletics will have to approve any grade adjustments that occur after the official grade report is produced.

The following chart sets forth the WIAA’s academic eligibility timeline for all athletic activities when a participant fails to meet the academic requirements in the fourth quarter of the previous school year.

If an injury is discovered after a participant has returned home, the advisor/coach/director of the Co-Curricular should be contacted at once.

All injuries requiring a doctor's care must be reported to the main office. A participant will not be readmitted to the activity after an injury without written authorization from the participant's health care provider releasing the participant to participation in Co-Curricular activities.

The District will comply with §118.293, Wis. Stats., with respect to concussion injuries.
