Oakmont High School

Notification of Change of Status

Eighteen-Year-Old Students

Dear Parent/Guardian,

A student may change his/her legal status at school at the age of eighteen. This letter serves as a notification to you of the change in status requested by your student. What follows is a summary of the legal rights and responsibilities of eighteen-year-old students.

STUDENT RIGHTS/PRIVILEGES

The right to verify absences from school and sign field trip permission forms.
(Education Code 46012)

Right to access to all school records and communications. (Education Code 49061)

The right to attend school as long as he/she is making normal progress toward graduation.

The privilege to participate in senior activities and the graduation ceremony.

STUDENT RESPONSIBILITIES

Submit properly written attendance verification notes or other documents in a timely manner to the school attendance office.

Inform the school and parents/guardians in writing of any change in parent/guardian access to school records or communications from the school.*

Maintain acceptable standards in the academic, attendance, conduct, and citizenship areas or risk disenrollment.

Eighteen-year-old students must follow the same rules as all other students. Seniors who fail to do so may lose the opportunity to participate in senior activities and/or graduation ceremonies.
(Board Policy 5127; 6146.1)

*Parents of a student 18 years of age or older who is a dependent as defined in Section 152 of Title 26 of the United States Code may continue to access student records relevant to the legitimate educational interests of the student. (Education Code 49076)

I have read and understand my rights/privileges and responsibilities and hereby notify Oakmont High School and my parents/guardians of my change in legal status as an eighteen-year-old student. If changes are necessary, I agree to provide the school with a valid name and phone for emergency contact purposes.
