Dear Barry Goldwater High School Community,

It is with great pride and enthusiasm that I introduce myself as the new Principal of Barry Goldwater High School. I am honored to join this remarkable school community and to have the opportunity to serve our students, families, and staff.

This year marks my **28th year in education**, with **20 of those years proudly spent in the Deer Valley Unified School District**. Throughout my career, I have remained committed to academic excellence, positive school culture, and creating learning environments where all students can thrive.

Barry Goldwater High School has a proud tradition of excellence, innovation, and community pride. As we move forward together, I want to reaffirm our collective commitment to the **Vision and Mission** that guide our work:

**BGHS Vision:**

*To be the global role model for academic excellence and innovation.*

**BGHS Mission:**

*Educate all students. Staff, family and community will empower all students to achieve personal, social, and academic essential skills.*

These guiding principles reflect the heart of our school, and I am fully dedicated to leading with these goals in mind. I look forward to working collaboratively with families and community members to support every student's academic and personal success.

As your principal, I am committed to open communication, transparency, and strong partnerships. I believe that together, we can build on the legacy of excellence at BGHS and continue to grow a school community that is welcoming, inclusive, and focused on student achievement.

Thank you for your continued support of Barry Goldwater High School. I am excited for the year ahead and look forward to connecting with you as we create new opportunities for learning and leadership.

With appreciation and enthusiasm,

*Sharon Wieser*
