Dear Parents & Guardians:

The Eastview Middle School Guidance Department would like to invite all parents and guardians of incoming sixth graders to our **2025-2026 School Year Orientation Workshops**. Please accept this letter as an invitation for you to attend.

At these workshops, we will describe the role of the Guidance Counselor, review reporting procedures, (i.e., report cards, progress reports, etc.) discuss appropriate planner usage, homework policies, schedules, lockers, and book bags.

Also, during our time together there will be opportunity for you to discuss and share any concerns you may have as well. We ask that you provide us with any information you have regarding your child that may not have been conveyed by fifth grade teachers. Feel free to write this information down and bring it with you to your workshop. Also, let us know whether you want this information shared with your child's sixth grade teachers.
