This form may not be used for personal or philosophical reasons. Illinois does not allow for such exemptions.

Sports Physicals: If your child will be trying out for any sport (including intramural), they must have a sports physical on file prior to the season's first practice. Incoming 6th and 9th graders may use an IL school physical in lieu of a sports physical, however a sports physical CAN NOT be accepted as proof of a physical examination for mandated physicals. Sports physicals are valid for 395 calendar days from the date the physical was issued.
