

Belvidere High School School Supply List 2025-26

All students are required to bring something to write with to each course. In addition, students taking the courses indicated below need to bring additional supplies. Please contact the student's classroom teacher with questions about school supplies. Courses are grouped by department. If one or more of your child's classes are not listed below, that means additional supplies are not required for the course. All students should also have a pair of earbuds to use with the Chromebooks. If there are issues getting school supplies, please contact the student's school counselor for assistance. Students must bring their Chromebook to class each day
