

# Welcome to the 2025-2026 school year!!

Since 2000, the Hillsboro Schools Foundation has given over \$6 million to Hillsboro schools to provide programs and activities above and beyond regular school funding! Thanks to the generous donors to HSF, this 2025-2026 school year, students in HSD will be able to utilize:

- Expanded career education opportunities, like welding in middle school shop classes and vet tech and construction/engineering programs in high school.
- After-school homework clubs at all four middle schools!
- Over \$82k awarded to 21 innovative grants this past spring.
