

CPR EXEMPTION

Beginning July 1, 2019, Arizona State Law requires basic CPR Training in order to graduate from High School. **Freshmen will receive basic CPR training in their Freshman PE class.**

AZ Statute 15-718.01

On or before July 1, 2019, school districts and charter schools shall provide public school pupils with one or more training sessions in cardiopulmonary resuscitation, through the use of psychomotor skills in an age-appropriate manner, during high school. This training shall be based on the most current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation.

A student shall be excused from the instruction on cardiopulmonary resuscitation at the request of either:

1. The Student's Parents.
2. Written documentation that the student has previously received training or is currently certified in CPR. Please provide a copy of the CPR certification.

Please check one of the following:
