Dear Del Campo Families:

Welcome to the 2025-2026 school year at Del Campo High School. I hope you have been able to spend time enjoying the summer break with your families and loved ones. As the new principal at DCHS, I would look forward to students returning from summer break with enthusiasm and excitement for the year ahead! Beginning in August, our teachers will be working hard to make sure we have an academic program filled with engaging and relevant learning opportunities in all classrooms. Furthermore, as we enter this new school year, we are deeply committed to affirming and advancing all students in their educational outcomes while fostering caring relationships to ensure that all members of the DCHS community feel connected.

With over 21 years of instructional and administrative experience, I personally believe all students can and will achieve at their highest levels when they feel a sense of belonging at school. This year, approximately 1570 students will be attending Del Campo High School, and as we continue to celebrate our great diversity and high-quality instructional practices, we will encourage and support our students' active participation at all levels.

On behalf of the entire staff, I would like to welcome all students and families to Del Campo High School. Please visit our school website (<https://delcampo.sanjuan.edu>) to find helpful information regarding our school updates and calendar.
