## ASBESTOS MANAGEMENT PLAN ANNUAL NOTICE OF AVAILABILITY

July 15, 2025

To Staff, Parents/Guardians, and Students:

This notice serves to fulfill annual notification requirements in accordance with Section 763.93 of the *Asbestos Hazard Emergency Response Act (AHERA)*. AHERA requires that all school buildings be visually inspected by accredited inspectors to identify all asbestos-containing building materials (ACBM) that may be present in the school, and to maintain records of all activities related to inspections, removal and maintenance of ACBM. As required under AHERA, Gloucester County Institute of Technology must maintain an Asbestos Management Plan (AMP) and keep the AMP on file at the school, and the School Administrative Unit Office. The AMP is available for review during school hours, Monday through Friday.

For additional information, please contact our Local Educational Agency Designee, Jim Battaglia at 856-468-1445 x2605, or [jbattaglia@gcecnj.org](mailto:jbattaglia@gcecnj.org).

Sincerely,

A handwritten signature in black ink that reads "Amy Capriotti".

Amy Capriotti  
Assistant Superintendent for Business/Board Secretary  
Gloucester County Institute of Technology
