It's crazy to think that the year is coming to an end and the 6th graders are going to be moving up to high school.

Jeannie Scouten- Asked about some information in regards to the International club trip, such as if this was a trip that was frequently taken. It was verified that the last trip out of the states was in 2011, they went to France and Spain, there has not been one since. Jeannie stated that she agreed with Marissa that this would be an amazing experience that some kids may never experience if they weren't able to do this.

Mrs. Allen - Thank you to the PTG for all they have done, the children and staff really enjoy everything they have done. And she gets to hear all the different stories that kids talk about. Mr. Harlander and his class did an amazing job with the disk golf board by the softball field, it looks so professional. Mrs. Allen would also like to congratulate Mr. Winghart on his perseverance with the newspaper, Ean Piaschyk and Dylan Jones were on the front of the newspaper for being the valedictorian and salutatorian.

Mr. Jenny - It has officially been one year since Mrs. Lampehere was appointed as the elementary school principal, we are very glad to have you as part of our team. High fives to both principals and the CSE for their hard work with all the end of year meetings happening. We had 85% yes for our budget vote. PTG has done an amazing job this year with all the activities for our students. Thank you Jacob who is only an 8th grader for doing his research, then asking to come speak to the board and getting up in front of the Board of Education to talk about a proposal for the gravel shot put field, you did an excellent job. Soon the seniors are going to be leaving and they may not realize it now but they will come back and say they miss it here. This year has been the best support we have received with donations for fireworks, thank you to everyone who has donated. We really appreciate it. Good luck to Ean Piaschyk and Ethan Karis at the championships.

Motion by Stephanie Karis, second by Tara Kennerknecht to adjourn the meeting at 8:21 p.m.
