Emergency Procedures & Communications

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: **Hold, Secure, Lockdown, Evacuate, and Shelter**. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Location to pick-up your child. (Vehicle gate at the end of the parking lot)
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors must first check in at the office, will be required to be cleared through the Raptor visitor management system, and must wear an identification badge. It is necessary to sign in and out when visiting our school. This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 3-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your student's school for more information.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

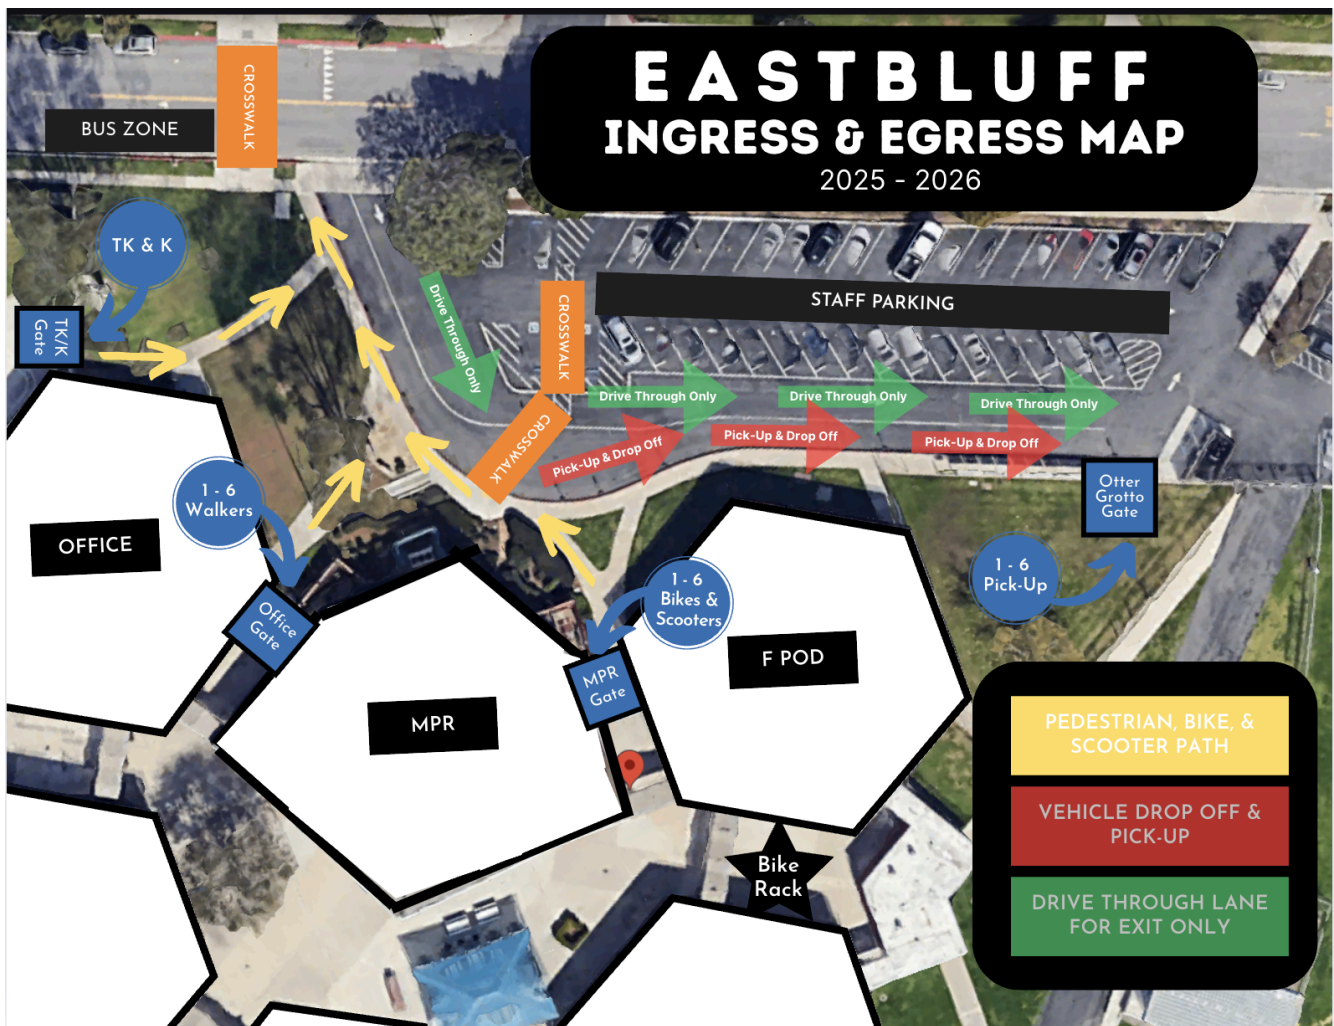

ARRIVAL/DISMISSAL

Parking Lot Procedures

To ensure a safe and efficient drop-off and pick-up process, please remember to follow our front lot procedures. Adhering to these guidelines is crucial for a quick and safe traffic flow. When procedures are not followed, it impacts traffic, causing an unsafe environment, delays, and street backups.

- Always use sidewalks and crosswalks; do not cross through the drive-through lane unless you are at a designated crosswalk.
- The front parking lot is a drive-through lot only.
- The front parking lot operates as a one-lane line for both arrival and dismissal.
 - The RIGHT LANE along the sidewalk is designated for DROP-OFF or PICK-UP.
 - The LEFT LANE is for DRIVE-THROUGH ONLY for vehicles exiting the school. Students should not exit or enter vehicles in the LEFT LANE.
- All vehicles must stay in the line. Please do not drive around the line or cut in front of other cars.
- Always pull all the way forward in the drive-through lane; do not stop at the front of the school.
- Please remain in your vehicle at all times and do not park.
- If you must get out of your car to help your student, please park in a designated parking space.
- Always have students exit and enter the car on the passenger side for safety.

Traffic Flow

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria (elementary students must live more than 0.75 miles from their home school). For more information, please contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Please note: There is no parking, stopping, or dropping-off allowed in the Red Bus Zone on Vista Del Oro. Buses will stop in the red zone on the street in front of the school marquee for student drop-off and pick-up.

Crossing Guards

The City of Newport Beach provides a crossing guard at the crosswalk on Vista Del Oro before and after school. Student safety is our highest priority. Please follow the crossing guards directions and use the crosswalk when arriving at school. Please accompany your student if their route to school includes crossing the street at Vista Del Oro.

Morning Ingress (Arrival)

Eastbluff will be serving breakfast before school. Breakfast service will begin at 7:50 AM. Students that would like to have breakfast at school may enter through the Front Gate starting at 7:50 AM. Breakfast will be served from 7:50 - 8:10 AM. Students that arrive at this time are only permitted to eat breakfast at the lunch tables. Students will not be allowed to go to the playground prior to the gates opening for all students at 8:00 AM.

Campus opens for all students at 8:00 AM, with drop-off available from 8:00 AM to 8:15 AM. To ensure student safety, please note that no students are permitted to be dropped off at school earlier than 8:00 AM unless they are eating breakfast. There is no supervision for students (with the exception of those eating breakfast) prior to the gates opening at 8:00 AM. Please review the ingress procedures below, as well as the Eastbluff Ingress & Egress Gate Map, for detailed information.

TK & Kindergarten

Transitional Kindergarten and Kindergarten students will use the Kindergarten Gate. TK and Kindergarten families may use the drop off line or walk to the Kindergarten gate. Please remember that those families using the drop off line are not permitted to park or exit their vehicles. If you must exit your vehicle to help your Kindergartener out of the car, we respectfully ask that you park in a designated parking space and walk your student to the gate. All Kindergarten families using the drop off line must pull all the way forward in the line. Please do not stop at the Kindergarten gate or the front of the school..

1st - 6th Grades

Students in grades 1-6 that are being dropped off at school will use the parking lot and the Otter Grotto gate at the end of the parking lot.

Students that are walking to school will enter campus using the crosswalk at the front of the school and the Office Gate.

Students in grades 1 - 6 that are riding their bikes or scooters to school will enter campus using the crosswalk at the front of the school and the new MPR Gate (between the MPR and F Pod). Students who are riding to school may not enter campus at the Otter Grotto exit. The bike racks are located between the E and F Pod to store student bikes and scooters during the school day. Please remind students that they should always wear their helmet, walk their bike when on campus (including the sidewalks), and be courteous and patient toward people walking on the sidewalk.

Afternoon Egress (Dismissal)

Students are dismissed at staggered dismissal times on campus. Please refer to the Bell Schedules for grade level specific dismissal times. Please remember to be on time to pick up your students. Staff supervision ends 15 minutes after the grade level dismissal time. Students who are still at school at this time will be taken to the office to call their families.

Students that are attending an after school program will be dismissed first. Please communicate with the classroom teacher if your students are attending one of these after school programs.

Teachers will walk the remaining students being picked up to the designated dismissal area where staff will monitor students for safety. Staff in each area will dismiss students when the students' family has arrived walking up to the gate or their car is in the designated pickup zone, Otter Grotto.

TK & Kindergarten

Transitional Kindergarten and Kindergarten students will use the Kindergarten Gate. TK and Kindergarten families will park and walk to the gate to pick-up their students after school.

1st - 6th Grades

An important part of our new bell schedules for student safety are the staggered dismissal times. Please ensure that you follow the dismissal schedules and protocols. Families that arrive early in the parking lot will respectfully be asked to return at the time for their grade level. In addition, siblings that have separate dismissal times are not permitted to wait in the pick-up line after school. Families that have picked up a younger sibling will respectfully be asked to park or exit the parking lot and return for their older siblings pick-up time. Not following these procedures will block other families from picking up their students and will cause a traffic back-up in the street. All students must be picked up during their grade's dismissal time.

Students that are walking home will exit campus through the Front Office Gate and the crosswalk at the front of the school where the designated crossing guard is located for safe dismissal. Families who are walking home may not exit campus at the parking lot/Otter Grotto exit.

Students in grades 1-6 that are riding their bikes or scooters to school will exit campus through the MPR Gate and use the crosswalk at the front of the school. Students who are riding home from school may not exit campus at the Otter Grotto exit. Please remind students that they should always wear their helmet, walk their bike when on campus (including the sidewalks), and be courteous and patient toward people walking on the sidewalk.

Students in grades 1 - 6 that are being pick-up by a vehicle will use the front parking lot drive-through and the Otter Grotto gate at the end of the parking lot. Students are not permitted to wait at the front of the school for their vehicle. Families must pull all the way forward in the line and meet their students at the Otter Grotto gate. Staff will respectfully ask all students waiting at the front of the school to walk to the Otter Grotto gate, even if their car is in the parking lot.

Early Departure

For the safety and protection of the students, no students are permitted to leave the school at any time during the day unless they are on a school-sanctioned field trip or accompanied by a parent, guardian, or their delegate. Students will only be released to adults listed in Aeries as authorized Emergency Contacts. Please keep this information up to date. Students need to be signed out in the office on the sign-out sheet. To protect our students, please be prepared to show your identification. Please remember that students are not permitted to be checked-out early within 15 minutes of their dismissal time. Any student needing to leave early must be checked out prior to this time. Please allow enough time for your student to pack their backpack and gather any homework.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, families must notify the school by telephone using the 24-hour Attendance Hotline 949-515-5920, option 2. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be confirmed by a qualified school employee. **All absences must be verified to the office no later than three (3) school days after the absence.** If the absence is not verified, it will automatically be converted to a truancy ("cut").

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible. We also offer Short Term Independent Study for planned absences of 1 or more days. Please contact the school office for more information.

Tardiness

It is important for students to be at school on time, every day.

At Eastbluff Elementary School, staff, parents, and students are all focused on student success. We aim to optimize our instructional minutes to ensure maximum attention to student learning, as important learning takes place from the first minute of the school day. Punctuality is also an important life skill to teach studentren. Furthermore, students arriving at school on time will help minimize classroom disruptions.

School starts for all grade levels at 8:15 AM, with a warning bell at 8:13 AM. The front gate closes promptly at 8:15 AM. Students arriving after the gate closes must enter campus through the front office. There will be a 5-minute grace period for students to meet their classes before being marked tardy. Any student arriving at school after 8:20 AM must have a parent/guardian sign them in at the Main Office for a tardy slip. To be considered "on time," students must be in line with their class at Otter Rally.

On rainy days, students should go directly to their classrooms (there will be no Otter Rally on Rainy Fridays). Please allow extra time for travel, as traffic tends to be heavier on rainy days.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the "FIRST NOTIFICATION OF TRUANCY", you will receive a "SECOND NOTIFICATION OF TRUANCY." A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the "SECOND NOTIFICATION OF TRUANCY," a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the "SECOND NOTIFICATION OF TRUANCY," and your child continues to miss school without a valid excuse, you will receive a "THIRD NOTIFICATION OF TRUANCY."

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a "CHRONIC ABSENCE NOTIFICATION."

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION

When your child has accumulated a number of excused absences, they will receive a "FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION."

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION

If your child continues to miss school after receiving the “FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION,” they will receive a “SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION.”

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child’s academic progress. If you have any questions or concerns regarding attendance notifications, please don’t hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child’s teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your child’s departure time. Students arriving at school late due to medical or dental appointments should provide a doctor’s note to excuse the tardy.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through [ParentSquare](#). As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. In case of emergencies, please contact the school office at (949)515-5920.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Please label lunches and snacks very clearly with the student's name and the teacher's and leave it in the office for students to pick-up during recess or lunch time. Parents may not interrupt classes to drop off lunches nor deliver to students at the lunch tables. For the safety of our students, we have a closed campus and parents cannot join their student at the school lunch tables, but you are always welcome to check your student out to enjoy lunch off campus.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for TK-6 students:

- **Aeries Parent Portal:** For test scores, attendance, emergency contacts, and other information
- **ParentSquare:** Official communication system for teachers, school, and district to communicate with parents
- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))

- **Seesaw:** For TK-3 student portfolios and interactive family engagement

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are recommended and/or required at specified grade levels. Please refer to student enrollment information located on the [Health Services website](#) for information about school health requirements.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing

- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A school emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's school libraries, where every book is a gateway to adventure! We invite you to join us in nurturing a love for reading. Please encourage your child to be responsible when borrowing books by doing two things: handling all books with care and returning books on time.

- We expect students to keep books free from drawing, coloring, or snacks.
- Please use bookmarks for saving spots and preserving pages.
- Keep track of all library books (at your house or in your backpack) so they don't get lost.
- Return books on time. Depending on grade level, students can borrow one to three books at a time. When students return books on time (typically within a week) everyone has a chance to enjoy great books.
- Should a book go missing or get damaged, talk to your school librarian. Your librarian will be there with a friendly smile and a solution.

NUTRITION

Please note that no snack is served on campus during morning recess. Students may bring a snack from home or eat any remaining breakfast items during morning recess time.

Birthday Treat Policy

We would like to share in the excitement of your student's birthday! At Eastbluff Elementary, birthdays are recognized through classroom traditions and celebrations. In alignment with the NMUSD Wellness Policy, and for reasons related to health, food allergies, and minimizing classroom disruptions, no food items are to be brought into school to celebrate birthdays. We understand that some families wish to provide something for classmates in honor of their student's birthday. Non-food items like stickers, pencils, and erasers are all excellent options. **Please note that food items and invitations are unable to be distributed at school.**

a. Monitoring attendance of their children

Families are informed about the importance of attendance through written and electronic communication from teachers, the principal, and NMUSD Student Services. Eastbluff teachers provide attendance updates at parent conferences in the fall, spring, and on the final report card in June. Notifications are issued to families regarding attendance concerns. Concerns are also addressed on an as-needed basis by site administration and may be referred to the District School Attendance Review Board.

The school homework policy is clearly communicated to families and students. Home learning strategies are discussed at Back to School Night in August. Specific strategies accompany all projects and reports. Teachers are available for ongoing support through various communication channels, including written notes, phone calls, emails, voicemail, and in-person consultations.

Parents are encouraged to volunteer directly in their students' classrooms, assist with specialty classes, lead or support student clubs, and cultivate our school garden. Each classroom has a room parent that coordinates communication and volunteer opportunities to families for the class. Beyond the classroom, opportunities include chaperoning field trips, helping with school-wide distributions, supporting fundraising efforts, and contributing to vibrant school events like Red Ribbon Week and Read Across America Week. We also welcome at-home assistance with class projects, allowing families to participate even when they can't be on campus. Additionally, the Eastbluff PTA and eDads offer numerous volunteer opportunities to support the school.

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual-Immersion. The 2025-26 dual immersion programs are offered to students in grades K through 10. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing—so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your student's student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below:

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Resources

Resources for immigrant students and family members developed by the California Attorney General are accessible at <https://oag.ca.gov/immigrant/resources>. Additional resources are available on the [NMUSD Immigration Resources webpage](#).

NMUSD Parent and Family Engagement Policy

The Board of Education recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent/guardian and family engagement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall consult with parents/guardians to develop meaningful opportunities for parents/guardians and to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's Local Control and Accountability Plan (LCAP) shall include goals for parent/guardian involvement, as well as the actions, and services that support those goals. This includes district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians. (Education Code 11503; 20 USC 6318) When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how

the district's Title I funds will be allotted for parent/guardian and family engagement activities and shall ensure that priority is given to schools in high poverty areas in accordance with law. (20 USC 6318, 6631)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

3. Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians
4. Collaboration with community-based or other organizations or employers with a record of success in improving and increasing parent and family engagement
5. Any other activities and strategies that the district determines are appropriate and consistent with this policy

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

Non-Title I Schools

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)

- The Superintendent or designee shall:
- a. Ensure that the evaluation include the identification of barriers to greater participation in parent involvement activities, with particular attention to parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background (20 USC 6318)
 - b. Use the evaluation results to design strategies for more effective parent involvement and, if necessary, to recommend changes in the parent involvement policy (20 USC 6318)
