Message From The Principal

Dear Sonora School Parents,

Welcome to Sonora Elementary School! The Sonora School community maintains and communicates high expectations for every student, staff member, and parent. We have a collective commitment to work collaboratively to ensure that all students succeed and are prepared for college and the workplace.

Sonora students thrive in a positive and supportive learning community, enriched with many art programs through our partnership with the Segerstrom Center for the Arts, as well as several partnerships with various organizations throughout Orange County. Additional experiences like the STEAM room, family events, educational field trips, assemblies, band, the school play, and after school programs also create enrichment opportunities for our students. Sonora enjoys a high level of parent and community involvement with our amazing Sonora PTA! We encourage all parents/guardians to become a member of our PTA and get involved to support and maintain all the wonderful opportunities for our students. You will be able to connect with other parents, build relationships with the staff, and help to enrich your child's educational experience. Come make new friends and be an active participant in your child's education!

Each day students say the Pledge of Allegiance and the Sonora School Creed. Every month we focus on one of the six pillars of character, which helps to foster well-rounded character education in our students. We are committed to providing the best education for our children in an environment that supports the social-emotional and academic needs of our students. The entire Sonora Community shares in the responsibility of working cooperatively toward the success and well-being of all students.

We value communication with you and have procedures to ensure that effective communication is on-going between school and home. If you need to contact or meet with me, simply call the office at 714-424-7955 and speak with Cindy Henthorn, my Administrative Assistant. If she is unable to answer your question, she will be happy to arrange a time for us to speak on the phone or in person. You can also email me at mdoidge@nmusd.us. I am usually available before school and at dismissal to answer any questions or concerns. We realize the importance of maintaining a clear line of communication between school and home and certainly make every effort to accomplish this goal.

Thank you for your on-going support of our school. We hope to see you often!

Warmly,

Mia Doidge
Principal
mdoidge@nmusd.us

Soar Above, Sonora Love!

Emergency Procedures & Communications

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: **Hold, Secure, Lockdown, Evacuate, and Shelter**. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Location to pick-up your child. (Side gate by staff lounge at the front of school)
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors must first check in at the office, will be required to be cleared through the Raptor visitor management system, and must wear an identification badge. It is necessary to sign in and out when visiting our school. This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 3-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your student's school for more information.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

ARRIVAL/DISMISSAL

Parking Lot Rules

We need everyone's help in keeping our parking lot safe for everyone! Nothing is as important as safety, especially in our busy parking lot. Many times, we're in a hurry, running late to work, late dropping off our kids or just having a rough morning. There is NO reason to neglect safety and we ask that you respectfully follow the signs in the parking lot as well as staff directions.

- The Pick-up and Drop-off area is on the grass area in front of the main office building.
- Adult supervision is necessary for students to enter the parking lot for drop-off and pick-up by car.
- The lane closest to the sidewalk is for drop-off only
- Students may exit the car AFTER the crosswalk
- Respectfully follow the direction of all staff members
- Stay in line - there is no reason to cut in front of anyone
- No parking in the red zones at any time
- Watch and wait for directions from the staff member in the crosswalk
- Be courteous and patient - everyone must wait their turn
- It's drop off and pick up - not the Indy 500

Here's a great tip- come between 7:30 and 7:40. No lines, no traffic, no problems! Try leaving the house five minutes earlier. That's a great stress reliever!

Our children thank you!

Traffic Flow

Please remember to follow our traffic flow rules for the parking lot:

- Two painted lanes are available when entering the parking lot from Sonora Street.
- Follow the "DO NOT STOP" signs through the driveway.
- Proceed to the sign that says "STOP" at the end of the main office building.
- Wait for staff to direct you to pull up to drop-off or pick-up your child.
- Students will NOT be allowed to cross in front of the cars that are waiting to pull up to the curb.
- Students enter and exit cars only AFTER the crosswalk.
- Families of students in preschool are prohibited from parking in front of the gate and must park on the street and walk up to the gate.

Thank you for helping us implement these procedures to ensure the safety of our students, staff, and families, especially during the busy times of the school day.

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Elementary students must live more than .75 miles from their home school.) For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

The bus stop location for Sonora is at the front of the school where staff is on duty to supervise the bus arrival and departure each day.

Crossing Guards

No crossing guards at the school site.

Morning Arrival

Students may arrive at school starting at 7:25 am, when student supervision begins. Students enter through the side Door to the MPR for breakfast and indoor quiet time (they can bring a book or homework). Students are dismissed from the MPR to play on the playground after 7:35 am depending on the weather.

Please do not drop off your child(ren) before supervision begins. There is no adult supervision before 7:25 am.

Parents will be called to come to school to pick up their students who are waiting in front of the school without adult supervision.

Afternoon Dismissal

TK - Kindergarten

School is dismissed at 2:30 pm Monday, Tuesday, Thursday, and Friday. Dismissal is at 12:52 on Wednesdays. Students in TK and Kindergarten are dismissed at the side gate and released directly to parents once the teacher sees you and releases your child. TK - Kindergarten students must be picked up after school within 5 minutes of the bell.

1st - 2nd Grades

School is dismissed at 2:30 pm Monday, Tuesday, Thursday, and Friday. Dismissal is at 12:53 on Wednesdays.

3rd - 6th Grades

School is dismissed at 2:35 pm Monday, Tuesday, Thursday, and Friday. Dismissal is at 12:58 on Wednesdays.

Students in grades 1st - 6th are dismissed from the main gate and released to parents on the grass at the front of the school. Students must be picked up after school within 10 minutes of the bell. Parents will be called to come to school to pick up children who are waiting in front of the school without adult supervision.

TK-6th Grade

Students who are enrolled in the after school programs will walk directly to the after school program check in at the lunch tables at dismissal.

Students who ride the bus home, walk to the bus pick up/drop off location outside the grass at the front of the school.

Early Departure

For the safety and protection of the students, no students are permitted to leave the school grounds at any time during the day unless they are on a school-sanctioned field trip or accompanied by a parent, guardian, or their delegate. Students will only be released to adults listed in Aeries as authorized Emergency Contacts. Please keep this information up to date. Students need to be signed out in the office on the sign-out sheet. To protect our students, please be prepared to show your identification. Please allow enough time for your child to pack their backpack and gather any homework.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline (714) 424-7955 #2. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be confirmed by a qualified school employee. **All absences must be verified to the office no later than three (3) school days after the absence.** If the absence is not verified, it will automatically be converted to a truancy ("cut").

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible. We also offer Short Term Independent Study for planned absences of 1 or more days. Please contact the school office for more information.

Tardiness

It is important to be at school on time, every day.

Children must be on time to school since being punctual is a life skill that begins at a young age. They need to arrive at school before the 7:50 a.m. bell and the main gate closes promptly at 7:55. Students are considered tardy after this. Late students must check in at the front office before being admitted to class. Students arriving after 7:55 a.m. will receive a tardy pass to go to the classroom.

We need you to ensure that your child arrives at school on time each day so that your child receives the full instructional program to maximize their learning. If there are circumstances that make it difficult for your child to attend school every day and arrive on time, please contact the front office to set up a time for Mrs. Doidge to meet with you to discuss supportive solutions.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the “FIRST NOTIFICATION OF TRUANCY”, you will receive a “SECOND NOTIFICATION OF TRUANCY.” A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the “SECOND NOTIFICATION OF TRUANCY,” a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the “SECOND NOTIFICATION OF TRUANCY,” and your child continues to miss school without a valid excuse, you will receive a “THIRD NOTIFICATION OF TRUANCY.”

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a “CHRONIC ABSENCE NOTIFICATION.”

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION

When your child has accumulated a number of excused absences, they will receive a “FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION.”

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION

If your child continues to miss school after receiving the “FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION,” they will receive a “SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION.”

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child’s academic progress. If you have any questions or concerns regarding attendance notifications, please don’t hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child’s teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your child’s departure time. Students arriving at school late due to medical or dental appointments should provide a doctor’s note to excuse the tardy.

This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. Excused Absences (EC §§48205, 48980)

[California Education Code Section 48205](#), states students may be excused from school for several reasons, including illness, medical or dental appointments, or attendance at a funeral. Additionally, absences are allowed for justifiable personal reasons, such as court appearances or religious observances, with the principal's approval. Students can also be excused for participation in certain civic or cultural events, as long as these absences meet specific criteria outlined by the school.

The law also provides for absences due to a student's role as a parent for their own child's medical appointment. Absences for religious retreats (not exceeding four hours per semester) or other approved religious activities. Furthermore, students can be excused for serving on a jury or participating in an election as a precinct worker.

Students excused under these provisions are allowed to make up missed work, and excused absences will not affect their enrollment status.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

Education Code §48205

- (a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
- (1) Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
 - (2) Due to quarantine under the direction of a county or city health officer.
 - (3) For purposes of having medical, dental, optometrical, or chiropractic services rendered.
 - (4) For purposes of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
 - (5) For purposes of jury duty in the manner provided for by law.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through [ParentSquare](#). As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner within 24 hours. In case of emergencies, please contact the school office at 714-424-7955.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

*See also Cell Phone Policy.

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Please label lunches and snacks very clearly with the student's name and the teacher's and leave it in the office for students to pick-up during recess or lunch time. Parents may not interrupt classes to drop off lunches nor deliver to students at the lunch tables. For the safety of our students, we have a closed campus and parents cannot join their student at the school lunch tables, but you are always welcome to check your student out to enjoy lunch off campus.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for TK-6 students:

- **Aeries Parent Portal:** For test scores, attendance, emergency contacts, and other information
- **ParentSquare:** Official communication system for teachers, school, and district to communicate with parents
- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

DRESS CODE

NMUSD Student Dress Guidelines

Appropriate dress contributes to a productive learning environment. Please reference Board Policy [5132.16](#) and Administrative Regulation [5132](#) for guidelines.

Sonora Elementary Dress Code

The Governing Board believes that appropriate dress contributes to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes and footwear that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or cause a substantial disruption to the educational process.

Parents and students have the primary responsibility for satisfactory student dress and/or appearance.

Students **may not** wear the following to school:

- Clothing and personal items (backpacks, water bottles, etc.) with writing or pictures that are vulgar, profane, or sexually suggestive, which bear drug, alcohol or tobacco company advertising, or which advocate racial, ethnic, or religious prejudice.
- Makeup (6th graders may wear light mascara and lip gloss)
- Excessively long fingernails that interfere with how students hold a writing utensil or type on chromebooks
- Shoes that allow toes to be exposed including sandals or flip flops
- Any unnatural hair color, including small sections of colored hair or hair extensions (i.e. red, orange, green, blue, purple, white, etc.)

- Skirts and shorts that are very short and several inches above the knee
- Jeans that have holes that expose any part of the leg or thigh
- Hats or hoodies worn over heads when inside buildings (hats may be worn outdoors for sun protection).

In summary, students' clothing or appearance must not present a distraction which would interfere with the educational process and learning environment for all students. Students with inappropriate clothing will need to borrow a school shirt or have a parent/guardian bring a change of clothes.

*It is strongly recommended that students in Preschool through first grades keep a simple change of clothing in their backpack just in case of occasional bathroom accidents or lunchtime spills.

FIELD TRIPS

Field trips/overnight trips provide valuable opportunities for students to enhance their learning experiences beyond the classroom. To ensure the success and safety of all participants, it is essential that students understand and agree to the behavior expectations before, during, and after field trips. Students who fail to adhere to the expectations may lose their privilege to participate in field trips. For more information, please contact the school.

All participating students must have a signed permission slip to attend the field trip.

All field trip volunteers must be approved as NMUSD volunteers. Any parent/guardian who is participating is considered a volunteer. Volunteers and chaperones will be coordinated in advance with names submitted to the site administrator.

Overnight Field Trip Chaperones Require Level 1 Clearance.

- Non-classroom volunteers with more than limited contact with students, who are not always directly supervised by a certificated employee
- Examples: volunteer coaches, mentors, paraprofessional counselors, overnight field trip chaperones
- Requirements:

Unclaimed items will be donated twice a year.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are recommended and/or required at specified grade levels. Please refer to student enrollment information located on the [Health Services website](#) for information about school health requirements.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A school emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's school libraries, where every book is a gateway to adventure! We invite you to join us in nurturing a love for reading. Please encourage your child to be responsible when borrowing books by doing two things: handling all books with care and returning books on time.

- We expect students to keep books free from drawing, coloring, or snacks.
- Please use bookmarks for saving spots and preserving pages.

- Keep track of all library books (at your house or in your backpack) so they don't get lost.
- Return books on time. Depending on grade level, students can borrow one to three books at a time. When students return books on time (typically within a week) everyone has a chance to enjoy great books.
- Should a book go missing or get damaged, talk to your school librarian. Your librarian will be there with a friendly smile and a solution.

Birthday Treat Policy

We encourage students to develop healthy habits, including daily exercise and good nutrition. We understand the importance of children celebrating special occasions, such as birthdays and special events. We respect parents who may wish to send something to school to honor your child's birthday. **We do not allow food to be sent into the classroom or brought to the front of the school to recognize student birthdays.** If you wish to send something to celebrate your child's birthday, you may send a non-food item or recognize your child's birthday in one of the other ways listed below. Please remember that you must coordinate the time with the teacher ahead of time that does not impact instruction for students.

Ideas for Birthday Recognitions that do not include food:

1. Consider fun pencils, erasers, stickers, or other small learning tools to be used in class without causing a disruption to learn.
2. Donate a book to the school library in honor of your child.
3. Donate a book to your child's classroom library. The student may personalize the gift by writing a message, dating it, and adding a photo to the inside cover.
4. Consider a Birthday Shout Out on our school marquee. Inquire about this in the front office.

Sonora Parent and Family Engagement Policy

Sonora Elementary School has developed a written Title I parent and family engagement policy with input from Title I parents and family members. The policy describes the means for carrying out the following Title I parent and family engagement requirements [20 USC 6318 Section 1118(c),(g) inclusive].

The school followed this process to develop the policy: Parent input is solicited annually through School Site Council, PTA, ELAC and the Title I Parent Meeting. Recommendations for revision are reviewed and incorporated into subsequent policies, as appropriate.

The school distributes the policy to parents and family members of Title I students by doing the following:

Monthly opportunities for parents to attend PTA, ELAC, and SSC meetings. Translation is provided to involve Spanish speaking parents. Meetings are offered both during school hours and evenings to provide opportunities for all parents.

Involvement of Parents in the Title I Program

To involve and engage parents and family members in the Title I program at Sonora School, the following practices have been established:

1. Annual Meeting: The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 USC 6318 (c)(1))

The annual meeting is scheduled for September 2025 to inform parents of the school's participation in Title I programs, explain requirements and the right of parents to be involved.

2. Flexible Number of Meetings: The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, childcare, or home visits, as such services relate to parent involvement. (20 USC 6318 (c)(2))

The activities the school will carry out to address this requirement include: Meetings and parent education sessions are held throughout the year both during school hours and in the evening. The types of meetings include parent education workshops, PTA general meetings, English Learners Advisory Committee meetings, and School site Council meetings. Child care is provided at selected meetings when there is not a parent-child activity.

3. Planning, Review, and Improvement with Parent/Family Input: The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the school wide program plan. (20 USC 6318 (c)(3))

The activities the school will carry out to address this requirement include: Parents are provided opportunities to give input on the NMUSD Local Control and Accountability Plan (LCAP). A survey is sent out to all parents at the end of the school year, and the results are shared with the School Site Council, ELAC, and other parent groups. The information from the survey is used to guide and assist the SSC in the planning, review, and improvement of the school-parent compact and the parent involvement policy.

4. Information about the Title I Program: The school provides parents of participating students with timely information about the Title I program. (20 USC 6318 (c)(4)(A))

The activities the school will carry out to address this requirement include: Parents receive information about the school's curriculum, types of assessments, and standards students are expected to meet by attending Back to School Night, parent-teacher conferences, and Open House in the spring. The school parent compact is sent home and reviewed both at Back to School Night and parent-teacher conferences as well as the annual Title 1 meeting. Information about the Title 1 program is provided to parents at ELAC, PTA, and School Site Council meetings throughout the year. Assessment data, curriculum, and budgets are discussed at these meetings.

5. Title 1 Parent Involvement funds are used to purchase educational books and materials for parents, a description and explanation of the curriculum utilized at the school, the forms of academic assessments used to measure student progress, and the achievement levels of the challenging CA state standards. (20 USC 6318 (c)(4)(B))

The activities the school will carry out to address this requirement include: Parent involvement funds are utilized to purchase materials for parent-child events. The description of the curriculum, assessments, and achievement levels is embedded into the variety of parent meetings including parent workshops, ELAC meetings, and other meetings. The Goal setting conferences in September and Parent conferences in March provide parents and teachers with specific strategies to support students to succeed in the CA state standards.

6. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 USC 6318 (c)(4)(C))

The activities the school will carry out to address this requirement include: Parents are members of all groups that meet regularly to make decisions regarding the education of children at Sonora Elementary School and parent/family input is solicited through both in-person meetings and online surveys. In addition, parents and teachers meet on a regular basis to make divisions and develop educational plans to meet the needs of students. Additional meetings are planned by request of the parents or teachers.

7. Additional Parent/Family Input on School Wide Programs: If the school wide program plan is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the local educational agency. (20 USC 6318 (c)(5))

The activities the school will carry out to address this requirement include: Parents are active members of our School Site Council, ELAC, and PTA that meet throughout the school year to review the Single Plan for Student Achievement, Title 1 Parent Engagement policy, and other schoolwide programs. Parents are surveyed each year and the results of the survey are used to make adjustments to school programs to better serve and meet the needs of all students. Annual improvement goals are communicated in our Single Plan for Student Achievement, as well as during parent meetings.

8. Building Capacity for Involvement:

(20 USC 6318 (e)(1))

The activities the school will carry out to address this requirement include: Our school provides parent presentations during ELAC meetings, Back to School Night provides an overview of the program in their child's classroom, all families receive a copy of our parent/school/child compact and all parties sign to indicate commitment to maintaining high standards at Sonora. Report cards are standards based and are discussed with parents during conferences and goal setting meetings that occur twice a year. Standardized test scores are mailed to parents in the summer and teachers discuss these results with parents during the conference. Teachers additionally communicate with parents informally and on numerous occasions throughout the school year.

b) Materials and Training: The school provides parents with materials and training to help parents work with their children to improve their children's achievement. (20 USC 6318 (e)(2))

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

Drugs/Alcohol/Tobacco/Other Controlled Substances

Students possessing, using or selling alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures including suspension or expulsion and/or referral to law enforcement in accordance with law, Board policy and administrative regulation. In addition, such students may be referred to an appropriate counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual-Immersion. The 2025-26 dual immersion programs are offered to students in grades K through 10. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district’s language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California’s English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your student’s student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district’s reclassification criteria are listed below:

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Resources

Resources for immigrant students and family members developed by the California Attorney General are accessible at <https://oag.ca.gov/immigrant/resources>. Additional resources are available on the [NMUSD Immigration Resources webpage](#).

NMUSD Parent and Family Engagement Policy

The Board of Education recognizes that parents/guardians are their children’s first and most influential teachers and that sustained parent/guardian and family engagement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall consult with parents/guardians to develop meaningful opportunities for parents/guardians and to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children’s education and of the opportunities available to them to do so.

The district’s Local Control and Accountability Plan (LCAP) shall include goals for parent/guardian involvement, as well as the actions, and services that support those goals. This includes district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district’s parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians. (Education Code 11503; 20 USC 6318) When the district’s Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how

the district's Title I funds will be allotted for parent/guardian and family engagement activities and shall ensure that priority is given to schools in high poverty areas in accordance with law. (20 USC 6318, 6631)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

1. Support for schools and nonprofit organizations in providing professional development for district and school staff regarding parent/guardian and family engagement strategies, which may be provided jointly to teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents/guardians
2. Support for programs that reach parents/guardians at home, in the community, and at school
3. Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians
4. Collaboration with community-based or other organizations or employers with a record of success in improving and increasing parent and family engagement
5. Any other activities and strategies that the district determines are appropriate and consistent with this policy

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

Non-Title I Schools

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)

District Strategies for Title I Schools

To ensure that parents/guardians of students participating in Title I programs are provided with opportunities to be involved in their children's education, the Superintendent or designee shall:

1. Involve parents/guardians of participating students in the joint development of the Title I local educational agency (LEA) plan pursuant to 20 USC 6312 and the process of school review and improvement pursuant to 20 USC 6316 (20 USC 6318)
2. Provide coordination, technical assistance, and other support necessary to assist Title I schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance (20 USC 6318)
3. Build the capacity of schools and parents/guardians for strong parent involvement (20 USC 6318)

The Superintendent or designee shall: (20 USC 6318)

- a. Assist parents/guardians in understanding such topics as the state's academic content standards and academic achievement standards, state and local academic assessments, the requirements of Title I, and how to monitor a child's progress and work with educators to improve the achievement of their children
- b. Provide materials and training to help parents/guardians work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parent involvement
- c.
