

Students Experience Life on the Niagara Frontier During the Colonial Era

Through a grant funded event made possible by the Niagara Falls National Heritage Area and Old Fort Niagara, students in the fourth and seventh grades experienced the Fort as it existed during the late French occupation of the site in the 1750's. While touring the Fort, students encountered French soldiers, English captives, Native people and a variety of others who plied their trades at the Fort during the final days of French occupation. A special thank you to Mrs. Sara Capen, Executive Director of the Niagara Falls National Heritage Area, for her efforts to secure funding and coordination of this high interest and engaging learning experience for the students.

Music Accolades for Richbart & Greenwald

Joshua Richbart was selected to the Conference All-State Chorus as a tenor. He performed a Level VI solo (the highest level of difficulty) and received a score of a 100%. Conference All-State takes the highest scores of students from all of New York State. Congratulations Joshua!

Madison Greenwald was selected to the Area All-State Concert Band on flute. She performed a Level VI solo (the highest level of difficulty) and received a score of a 99%. She was the only flute student in Niagara County to make this prestigious ensemble. Congratulations Madison!
