High Winds Blow "Mary Poppins" Into Barker

Excitement is brewing as BCS students prepare to present the famous musical, "Mary Poppins!" Show dates are: March 13 and 14 @ 7:00 pm and March 15 @ 2:00 pm.

The cast, made up of high school students, as well as 5th grade students, began practicing in mid-November and the production is well underway. The story of Mary Poppins is well known to many through books and the famous movie starring Julie Andrews and Dick Van Dyke. The theatrical version of Mary Poppins is similar to the movie, but also has several significant differences. There are additional songs and some twists to the story line which make the theatrical version stand alone. Bringing "Mary Poppins" to life is a team effort as the cast and directors work together to produce staging, choreography, British dialect and accents, special effects, and even a bit of magic. Save the dates, come see the show, and we're sure you'll find it just...

Portfolio Class Visits George Eastman House

This fall the High School Art Portfolio class traveled to Rochester, NY to visit the George Eastman house. Students were able to see both the current exhibits and take a tour of the George Eastman house. "The tour helped me understand how we went from cameras back then all the way to cameras today," said senior Luz Bautista. The museum docent Mr. Piper shared many facts and stories with the students including how the name Kodak was made up

by George Eastman using the letter "K" from his mother's maiden name Kilbourn. Senior Doug Bachman learned how generous George Eastman was with his money and that the space camera on display in the exhibit weighs only 35 pounds. "Loved the trip to the Eastman House. Would love to go back to spend more time there," says senior Sergio Cruz.

Art Show Exhibit and Reception

High school art student, sophomore Abigail Bachman's artwork was featured at the Wide Angle Art Gallery in Medina. The gallery at 525 Main St. in Medina held an opening reception for Abby on Saturday November 1st.
