

Grades 2–5

Learn how to use Teacher Assign for [Live Help Sessions](#), [Writing Reviews](#), [Pulse Questions](#) and [Paper Reading](#).

DIRECTIONS

This calendar helps students review reading, writing, and math skills with daily assignments on Paper. Here's a quick guide for each type:

Missions: Students can choose their own, or you can select specific ones from the 'practice' tab by clicking the link on the calendar. Note: 2nd grade ELA will be challenge missions.

Paper Reading: Sign in to Paper and click the link to create the assignment, or explore the library for a different text.

Pulse Questions: Create a Pulse Questions assignment using the topic from the calendar or choose your own. Always check for accuracy.

Live Help Tutoring: Create a tutoring assignment and attach the linked worksheet, updating it as needed.

Writing Review & Revision: Create a writing review assignment with the prompt from the calendar. Have students upload their work when completed. On revision days, students access feedback from the Writing Review Center.
