Learn how to use Teacher Assign for [Live Help Sessions](#), [Writing Reviews](#), and [Pulse Questions](#)

DIRECTIONS

This calendar helps students prepare for their end-of-semester tests and assignments on Paper. It provides a structured review with daily activities to strengthen key skills. Here's a quick guide for each type:

Missions: Students can choose their own, or you can select specific ones from your 'practice' tab to target areas of review.

Pulse Questions: Create a Pulse Questions assignment using the topic from the calendar, or create your own. Be sure to check for accuracy.

Live Help Tutoring: Set up a tutoring assignment and attach the linked worksheet. Update the worksheet as needed to support student learning.

Writing Review & Revision: Create a writing review assignment with the prompt from the calendar. Have students upload their completed work. On revision days, students access feedback from the Writing Review Center to improve their writing skills.
