

Gesu School Donor Privacy Policy

Gesu School values the contributions that our donors make to sustain our mission. To protect the privacy of our donors and their special relationship with Gesu, we maintain the following policies:

- We do not trade or sell our donor lists to other organizations.
- We request donor preferences prior to listing their names in our publications.
- We honor donors' requests to be recognized anonymously.
- Donors may request that they not be solicited in the future.
- Donors may request not to receive mailings, such as our newsletter or online communications.

All access to donor financial information is strictly limited to professional staff who need to process those data. No such data are given to any person, organization or group who does not need to access those data.

Online Donations

Gesu School uses only online payment processing services, such as Boost My School and Give Butter, with strong reputations for security. Gesu does not store, nor does it have access to, your credit card or bank account information sent to those processing services.
