Witness:

WHEREAS, the Board and FOPE have negotiated in good faith, with the FOPE acting as the exclusive agent for certain noninstructional personnel included in the certified unit with respect to wages, hours, and terms and conditions of employment, and whereas the parties, following extended and deliberate negotiations, and having had an opportunity to discuss freely all issues, have reached certain understanding which they desire to confirm in this Agreement. In consideration of the following mutual covenants, it is hereby agreed as follows:

B. NEGOTIATION PROCEDURES

In any negotiations described in this Agreement, neither party shall have any control over the selection of the negotiating representatives of the other party. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the members of the bargaining unit voting, but the parties mutually pledge that their representatives shall be empowered with all necessary power and authority to make proposals, consider proposals, make concessions, and reach tentative agreements in the course of the negotiations.

There shall be four (4) executed copies of any final Agreement. Two (2) copies shall be retained by the Board and two (2) by the FOPE.

Any costs incurred by prior mutual agreement through impasse procedures will be shared equally by the Board and the FOPE unless otherwise provided by law.

The negotiating team shall consist of no more than twelve (12) bargaining unit employees. These employees shall be allowed to attend all negotiating sessions that occur during their regular working hours with pay, and seven (7) employees shall be given time off with pay to ratify the contract each year. B. OVERTIME

Hours worked up to forty (40) in a week shall be compensated at straight time.

Employees who work overtime in excess of forty (40) hours work per week shall be compensated at an hourly rate, one-and-one-half (1½) times their regular hourly rate. Compensatory time must be pre-approved by written mutual agreement of the appropriate administrator, immediate supervisor or designee and the affected employee. Compensatory time may be given in lieu of overtime for the first 160 hours. Compensatory accrual time must be recorded/maintained in the SAP/ERP system.

1. The compensatory time must be granted at a rate not less than one-and-one-half (1½) hours for each hour of overtime worked. Therefore, an employee may not accrue more than 240 hours of compensatory time (160 hours of overtime x 1.5 hours of compensatory time).
 - a. An employee may request the use of compensatory time in full-day or half-day units. For the purpose of medical or dental appointments hourly increments may be requested.
 - b. A request for the use of compensatory time shall be made by the employee, on the appropriate compensatory request form, not later than forty-eight (48) hours prior to the time/date compensatory time is requested to be used, except for an emergency, as determined by the administrator, immediate supervisor or designee.

request, the employee shall be notified of approval or denial of the request.

- d. Compensatory time must be utilized before other paid leave except when such usage may result in the loss of that paid leave. However, compensatory time earned in the last quarter of the fiscal year is not subject to this stipulation.
 - e. The employee may carry over compensatory time from fiscal year to fiscal year with a maximum of thirty-five (35) hours. Any compensatory time that is not carried over from one (1) fiscal year to the next, shall be paid based on the rate in effect on June 30th. Payment shall be made by the last day of August, minus applicable taxes.
 - f. Upon the transfer/promotion of an employee to another location/department, the employees' accrued but unused compensatory time shall be paid based on the pay rate in effect prior to the transfer/promotion within sixty (60) days of the effective date of the transfer/promotion.
2. From time to time, the employee's administrator, immediate supervisor, or designee may require the performance of overtime.

Overtime shall be offered to qualified permanent employees on a rotating basis as follows: the offer shall be extended to the most senior permanent employee first and then in a descending order, based on seniority, until all permanent employees have had the opportunity to perform overtime.

All overtime shall have the prior written approval of the appropriate administrator, immediate supervisor or designee. Said approval must be provided to the employee before the start of the overtime to be worked.

- 3. Whenever possible, at least twenty-four (24) hours advance notice that overtime will be necessary shall be given to the employee.
- 4. Administrators shall be responsible for documenting all compensatory time and will comply with the provisions of the Fair Labor Standards Act (FLSA). The administrator shall provide employees with the compensatory time balance within a reasonable time after a request is made.
- 5. This Article is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours of work per day or per week.

C. BREAKS/LUNCH PERIOD

All employees working six (6) or more hours per day shall have two (2) fifteen (15) minute paid breaks each day, one (1) in the morning and one (1) in the afternoon except as noted in Section D below. Break schedules will be determined by the appropriate supervisor. Supervisors will provide written break schedule to employees.

Employee lunch period may be changed according to the needs to the department. The Supervisor will give the employee written notification if the lunch period is changed for three (3) days or more.

The lunch period shall not be interrupted, except in case of emergency, as determined by the administrator, immediate supervisor or designee. Employees who are required to work during their scheduled lunch period shall receive their lunch period in its entirety.

D. FOUR DAY WORK WEEK

The Board reserves the right to establish and utilize a four (4) day, up to a 10 hours per day work week schedule. The normal workday for full-time permanent unit employees shall be no longer than ten (10) consecutive hours (including a one-half ($\frac{1}{2}$) hour unpaid lunch period for school personnel and including a one (1) hour unpaid lunch period for county-level personnel). At the discretion of the supervising administrator, employees working six (6) or more hours per day on the four (4) day work week may have three (3), ten (10) minute paid breaks per day.

1. No work week will include both weekend days as a workday for any employee except on a voluntary basis. A schedule may indicate Sunday as the first day of the work week or Saturday as the last day of the work week.
2. For purposes of this section, at such time as a vacancy exists or a new shift/work week becomes available, volunteers will be solicited from all applicable employees prior to the filling of the position(s).
3. Where more volunteers are available than open positions, seniority and qualifications shall prevail among the applicable employees.
4. Where there are no volunteers or not enough volunteers to fill the opening(s), the position(s) will be filled in reverse seniority order.

5. In the event that the Board implements this four (4) day work week in an entire department, and this creates a serious medical and/or personal problem, substantiated by a Board selected physician or acceptable written explanation as determined by the Superintendent (designee), on any employee within the department, the Board shall strive to reasonably accommodate the employee's individual needs.
6. In the event that the majority of employees at a location wish to request the consideration of a four (4) day work week, but the immediate supervisor is opposed to it, a representative of the staff will be allowed to present the request to the Director without any reprisal.

E. EMERGENCY WORKING CONDITIONS

In the event of an emergency closing of work location(s) and/or declared emergency, bargaining unit members shall be compensated as described below:

1. Bargaining unit members regularly scheduled to work during the time of the emergency or who are ordered to return home during the emergency or prior to the completion of said employees' scheduled hours shall be paid for all hours during the emergency period which the employees had been scheduled to work.
2. Employees on sick leave, annual leave, or personal reasons leave during the declared emergency period shall have leave time returned to the applicable leave accumulation.
3. In the event the Board determines that the numbers of bargaining unit personnel must be reduced for any reason, such reduction shall be based on objective, reasonable and non-discriminatory standards which:

1. Shall not be arbitrary or capricious;
2. Shall not deprive unit employees of other rights conferred by this Agreement, by the laws of Florida, or by the laws of the United States;
3. Shall be capable of uniform application; and
4. Shall be based on seniority as fully described in Definitions (Section O – “for the purpose of layoff and recall only”).

To implement this Article, the Board shall, through the appropriate department, keep and maintain a current seniority list of laid off employees in each area of classification with the District and a copy of same shall be given to the FOPE. In the event, the Board determines that personnel must be reduced for any reason, the following procedures shall be controlling:

A. LAYOFF

1. Prior to implementing a District-wide reduction in personnel, the Superintendent or designee shall meet with representatives of the FOPE to discuss the proposed Board action and solicit their suggestions.
2. The Board shall then determine the net number of positions to be reduced and the classification in which layoff shall occur.
3. For the purposes of this layoff procedure, "work location" shall be defined as either a school, or a center, or, in the case of county employees, the department.
4. Employees shall be laid off by job classification at the work location in reverse order of total county seniority with the least senior person being laid off first.
5. When employees of the same job classification at the same work location have the same total county seniority, lay off shall be in reverse order of total work location seniority.

6. When employees of the same job classification at the same work location have the same total county seniority and the same total work location seniority, lay off shall be based on the employment date as reflected on the Personnel Action Form (PAF) with the person having the most recent employment date being laid off first.
7. For the purposes of this Article, as soon as any bargaining unit member receives notification that he/she is not being reappointed to his/her current position in the subsequent fiscal year, a lay-off/recall list for the subsequent fiscal year shall be established for the specified job classification. No vacancy for any position in a fiscal year for which a lay-off/recall list exists shall be posted until said lay-off/recall list has been exhausted. Nothing in this section shall prohibit the effected employee from applying for any vacancy posted in the current fiscal year for which the employee is qualified.

10. Any employee who would have qualified for retirement during the school year in which the layoff takes place may, with the approval of the Superintendent, be permitted to work through the date in order to qualify for retirement.
11. Any employee who is laid off/terminated due to the elimination of his/her job shall be placed on the recall list and the recall procedure as outlined below will apply. Written notice of such a layoff will be given to the employee and to the FOPE twenty (20) working days before the action is to become effective. Thereafter, the FOPE may request and shall be entitled to receive written documentation from the Board showing the basis for the job elimination. In the event the employee believes that the layoff was arbitrary or capricious, the employee may file a grievance to protest the layoff.

12. **Super Seniority for Stewards:** Whenever possible, stewards shall be given super seniority exemption from layoff. By March 1st of each year, the FOPE Clerical will provide the Superintendent or designee with a list of official building stewards. Should the stewards vacate their position for any reason, the FOPE Clerical shall notify the Superintendent or designee and provide a replacement name.

B. RECALL

1. When it becomes necessary to implement recall procedures, seniority shall apply districtwide and may be calculated as defined in Definitions, Section O, within the area of qualified job classifications. As vacancies occur in a particular job classification, and recall procedures are in effect, the five (5) most senior qualified employees on the seniority recall list maintained by the Talent Acquisition & Operations (Non-Instructional) Department, shall be recalled by seniority for a particular vacancy.
2. Laid-off employees shall be notified of vacancy by telephone, e-mail, or certified mail, return receipt requested, to the last address listed in the District's Employee Self-Service (ESS) system. On the same date as the notice is mailed to the employee, a copy of the Notice of Recall shall be sent by certified mail to the FOPE. The absence of such qualified personnel shall be certified by the Talent Acquisition & Operations (Non-Instructional) Department. If an employee fails to respond within two (2) working days of the date the Notice of Recall is received, the employee shall be deemed to have refused the position offered.
3. Within four (4) working days of the affirmative response of the employee receiving the job offer, the employee may meet with the appropriate administrator/designee for an interview and/or respond to the Talent Acquisition & Operations (Non-Instructional) Department either accepting or refusing the job offer/un-posted vacancy, and thereafter shall confirm their acceptance/refusal to the Talent Acquisition & Operations (Non-Instructional) Department in writing or by phone followed up by signed written documentation. An employee shall retain the position on the seniority list for one (1) year unless the person resigns, refuses three (3) job positions offered, or accepts a vacant position that is offered.
4. The job acceptance letters/documentation shall include the start date, job title, assigned calendar, and work location, for the accepted position.

5. Permanent full-time employees shall be recalled before any part-time employees are recalled.
6. No new appointments may be made while there are laid-off employees available who are qualified and willing to fill the vacancies.
7. An employee may be recalled to a job classification lower than that, which was held immediately prior to the layoff. If the employee accepts the lower position, the employee shall remain eligible for recall to the former classification in accordance with the provisions of this Agreement.
8. When a laid-off employee's name is removed from the seniority list after one (1) year in accordance with Section B.3. above, their employment with the School Board shall be considered terminated.
9. The Board reserves the right to immediately fill a vacancy on a temporary basis not to exceed twenty (20) working days until the vacancy is filled, in accordance with the provisions of this Article and Article 6, Section 2.

Corrective shall be administered for just cause and not in a manner that is demeaning or degrading. Corrective action may be administered in the form of a verbal reprimand, written reprimand, suspension, demotion or discharge. Corrective action may be administered at any step depending upon the severity of the violation.

B. EMPLOYEE NOTIFICATION

For any meeting scheduled for the purpose for taking corrective action, the department shall provide the employee with written notification of the violation and schedule a meeting where the circumstances surrounding the violation shall be discussed. This meeting shall be scheduled no sooner than three (3) working days after the employee receives such notification. It shall be the employee's responsibility to notify the Union of the meeting and secure attendance.

2. During the Meeting

The conference is intended to provide the employee with an explanation of the charges and basis for the charges. Any relevant questions that the employee asks shall be answered to the best of the supervisor's ability. The employee shall be given an opportunity to respond. In addition, the employee shall be provided a written copy of the corrective action after signing the document solely for the purpose of acknowledging receipt.

D. PERSONNEL FILE

There shall be no corrective action notice placed in an employee's official personnel file, unless the employee has first been given a copy and provided an opportunity to submit a rebuttal statement. The rebuttal statement must be submitted within ten (10) working days of the notice. The rebuttal statement shall remain as part of such corrective action as long as the document remains in the employee's official personnel file. Each document placed into either file shall be in accordance with Florida Statutes, Section 1012.31. Progressive discipline shall include any and all corrective action held in abeyance depending upon the severity of the violation.

E. UNION REPRESENTATION

An employee shall be entitled to have present a representative of the FOPE when the employee is given a corrective action for an infraction of rules or deficiency in professional performance, excluding informal warnings, criticisms, or suggestions for improvement which do not form the basis of formal action. When a request for such representation is made, a reasonable opportunity shall be given to the employee to have a representative of the FOPE present. In an emergency, or in the event a FOPE representative is not readily available, the employee shall be informed of the action taken and shall be entitled to a later meeting with the appropriate administrator and a FOPE representative present. Such meeting shall be scheduled as promptly as possible. Any employee who is dismissed for disciplinary reasons shall be notified in writing of such dismissal, which shall include the specific reasons thereof.

ARTICLE 14

GRIEVANCE PROCEDURES

- A. Any claim by an employee(s), or the FOPE at the request of an employee(s), that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement may be processed as a grievance as hereinafter provided. Nothing in this Article shall be construed to prevent any employee from presenting at any time, their own grievance, in person or by legal counsel, to the Board, and having such grievance adjusted without the intervention of the FOPE, if the adjustment is not inconsistent with the terms of this Agreement, and if the FOPE has been given reasonable opportunity to be present at any meeting concerning the resolution of such a grievance.
- B. In the event that an employee believes that there is a basis for a grievance, they shall first discuss promptly, the alleged grievance with the immediate supervisor within ten (10) working days of the date on which the employee could reasonably have known of the occurrence of the event giving rise to the alleged grievance.
- C. If, as a result of the informal discussion with the immediate supervisor, an alleged grievance still exists, the following formal grievance procedure may, at the option of the grievant, be invoked through the FOPE, within five (5) working days of the informal discussion, on the FOPE authorized grievance form (see Appendix A), signed by the grievant and a representative of the FOPE.
- D. In the event that an employee receives corrective action for conduct that also constitutes a criminal offense, upon mutual agreement of the parties, the grievance may be held in abeyance pending resolution of any criminal charges.

STEP I

The grievant or FOPE Representative may submit to his/her immediate supervisor a copy of the signed grievance form. If it is a group grievance involving more than one (1) work location, it may be filed by the FOPE on behalf of the affected employees directly with Employee & Labor Relations (i.e. Step II). The grievance shall list the affected buildings and/or individuals or classifications involved. Within five (5) working days of receipt of the grievance, the immediate supervisor shall meet with the grievant in an effort to resolve the grievance. The immediate supervisor shall indicate the disposition of the grievance, in writing, within five (5) working days after such meeting and shall furnish a copy thereof to the FOPE.

STEP II

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the specified time limit, the grievant and/or FOPE may submit the grievance to Employee & Labor Relations within seven (7) working days of the disposition or expiration of the time limit. Within seven (7) working days of the Step II grievance submission, Employee & Labor Relations shall meet with the grievant and FOPE representative(s) and shall indicate the disposition of the grievance, in writing, within seven (7) working days of such a meeting and shall furnish a copy thereof to the FOPE.

STEP III

- A. If the grievant is not satisfied with the disposition of the grievance by Employee & Labor Relations, or if no disposition has been made within the specified time limit, the grievance may be submitted to the FOPE for arbitration before an impartial arbitrator mutually selected by the parties within twenty (20) working days of the date of the disposition at Step II, or the expiration of the time limit. Notice that arbitration will be pursued will be provided to the General Counsel's Office.

If the parties cannot agree as to the arbitrator within twenty (20) working days from the notification date that arbitration will be pursued, FOPE will request a panel of seven (7) arbitrators from the American Arbitration Association (AAA) or Federal Mediation Conciliation Service (FMCS), in accordance with their rules, which rules shall likewise govern the arbitration proceedings. FOPE shall send a copy of the request to the Office of the General Counsel. The parties shall choose an arbitrator by alternately striking names with the grievant striking first. Each party shall have the opportunity to strike one (1) panel. If a party strikes a panel, that party shall pay (if applicable) for the issuance of a new panel.

The arbitrator shall not have power to: add to; subtract from; modify; or alter the terms of this Agreement. The parties shall not be permitted to assert, in such arbitration proceedings, any grounds or rely on any evidence not previously disclosed to the other party. Both parties agree that the settlement of any grievance by the parties prior to the rendition of a decision by an arbitrator, shall not constitute an admission that the contract has been violated.

- B. If the arbitrator sustains the position of the grievant, the fees and expenses of the arbitrator, including AAA or FMCS filing fees, shall be paid by the Board. However, if the arbitrator sustains the

Board's position, all fees and expenses shall be paid by the grievant or the FOPE, whichever filed for arbitration. However, an individual employee may only file for arbitration if the FOPE has refused to process the grievance because an employee is a non-dues paying member of the unit. If the decision issued by the arbitrator is not the one requested by either party, the arbitrator shall determine the distribution of the arbitrator's fees between the parties. Each party shall be responsible for any other expense it chooses to incur.

- C. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year, and strict adherence to the time limits may result in hardship to any party, the parties shall use their best efforts to process such grievance prior to the end of the school term, or as soon thereafter as possible. Grievances filed during the period of July 15 to August 15 may be held in abeyance until the first week of the school year if grievant, witnesses and/or supervisor are on leave. Timeline for grievances held in abeyance will begin the first day students return. Whenever illness, or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limits shall be extended to such time that such person(s) can be present. When such grievance meetings and conferences are held during school hours, the grievant, one FOPE representative and witnesses whose presence is required, shall be excused without loss of pay or accumulated leave for that purpose, provided witnesses may be placed on call whenever feasible.
- D. Adjustment of any grievance, as described herein, shall not be inconsistent with the provisions of this Agreement.
- E. All employees will be entitled to fair, reasonable, and equitable treatment. An employee who participates, or intends to participate in any grievance, as described herein, shall not be subjected to corrective action, reprimand, warning, or reprisal because of such participation or intention.
- F. All documents, memoranda, correspondence, and records dealing with the grievance proceedings shall be maintained in the county personnel file(s) of the grievant. Items may not be placed in an employee's official personnel file unless the item has been made known to the employee. Items challenged under the provisions of the grievance procedure may not be placed in the employee's personnel file for up to forty (40) calendar days or until the grievance procedure has been resolved. Employees shall have the right to respond to any item(s) placed in their personnel file and have the response attached to such item. The employee's

signature shall indicate only that they have read the item and shall not necessarily indicate agreement with its contents.

- G. The FOPE shall not be required to process grievances for employees who are not dues paying members in good standing with the FOPE. However, the FOPE shall provide the Director of Employee & Labor Relations a written notice that it does not intend to represent the employee through the contractual grievance procedure or through the arbitration process.

- C. Items which adversely reflect on an employee's ability, competence, qualifications, morals and/or character, may not be placed in an employee's official personnel file unless the employee has been given an opportunity to read such items and has been provided a copy and all of provisions of Article 13, Section D, have been complied with. Employees employed on a full-time permanent basis who are unable to perform their duties because of illness, or because of illness or death of father, mother, brother, sister, husband, wife, child, other close relative or member of their own household, and consequently has to be absent from work, shall be granted leave of absence for sickness by the Superintendent, or by someone designated in writing to do so. The following provisions shall govern leave:

1. Each full-time permanent employee shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year, and shall thereafter earn one (1) day of sick leave for each month of employment at the end of that month, and which shall be credited to the employee. However, the employee shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the years of employment. When an employee uses a sick leave day, it shall be paid at the affected employee's daily rate of pay at the time the day is utilized except when an employee uses a sick leave day, those days earned at a lower rate of pay shall be deducted before sick days having a higher value. Such leave shall be taken only when necessary because of sickness as herein prescribed. If the employee terminates employment and has not accrued the four (4) days of sick leave available, the Board shall withhold the average daily amount for the sick leave days used but not earned by the employee. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave an employee may accrue. Immediate family is defined as father, mother, sister, brother, spouse, child or other close relative or member of the household. Sick leave shall not be used as unscheduled vacation time. Such incidents may include but are not limited to days being used as soon as they are earned, or a series of absences that occur on a predictable basis, which are reported by the employee as being caused by illness (first scheduled shift of the work week, last scheduled shift of the work week, or first shift after a pay day).
