

**ST. TAMMANY PARISH SCHOOL BOARD
COVINGTON, LOUISIANA**

The St. Tammany Parish School Board will receive sealed bids until 2:00 p.m. Wednesday, July 30, 2025, on Chromebook Repair Parts and Miscellaneous Supplies for Information Technology in accordance with the following instructions, attached specifications and bid form.

1. **Bids shall be submitted on the attached bid form.** Bids shall be sealed in an envelope clearly marked on the outside **“CHROMEBOOK REPAIR PARTS & MISC SUPPLIES FOR I.T. BID #1885 – JULY 30, 2025.”** Bids may not be withdrawn for at least thirty (30) days after the scheduled closing time for receipt of bids.
2. All bids shall be received by the St. Tammany Parish School Board Office (STPSB) located at 321 N. Theard Street, Covington, LA 70433 by one of the methods below. Any bids arriving after this date and time or not in the proper location or format will be deemed non-responsive and not considered.
3. Bids may be sent via registered or certified mail, UPS or FedEx with a return receipt requested, hand delivered, or submitted electronically.
4. Bids may be submitted electronically at www.centralbidding.com.
5. You may find related bid materials including detailed specifications necessary to complete your bid at www.centralbidding.com and/or www.stpsb.org/bids.
6. All bids shall be accompanied by a bid security in the form of a valid fully executed bid bond, certified check, cashier's check or money order in the amount of one thousand dollars (\$1,000.00). Bids will not be considered unless the correct bid security is attached.
7. **If submitting a bid electronically, then bid security must be in the form of an original, valid, fully executed bid bond and be included in your bid submittal.** The STPSB must be able to verify the validity of the bond within 72 hours. If bonding company cannot validate within this timeframe, bid may be awarded to next lowest responsive bidder. Cashiers' check, certified check or money order will not be accepted for an electronic bid. **Failure to comply will cause your bid to be non-responsive.**
8. A performance bond in the amount of one thousand dollars (\$1,000.00) will be required from the successful bidder.
9. Contract period must begin on July 1, 2025. Prices on this bid must be valid through, at a minimum, June 30, 2026. Bids may be extended for up to three (3) additional one-year terms if both parties agree to do so.
10. It is the intent of the specifications to invite bids on high quality merchandise. Mentioning a brand, manufacturer, and number is done only to establish the standard of quality desired. It is not the intent to eliminate brands of equal quality but instead to set forth and convey to prospective bidders the general style, type, character, and quality of the product desired.

11. **If bidding equipment, supplies, or products other than as specified**, complete manufacturer's detailed specifications must be part of your bid including model numbers, catalog cuts, and descriptive literature. Any deviation from the specifications shall be stated as part of bid. **Failure to comply may cause your bid to being rejected.**
12. Bidders may bid on the entire list of supplies or any individual item or any combination of items other than those specified on the bid form. All bids shall include the brand name and stock/model/item number of the item being bid.
13. All equipment, supplies or products provided to STPSB shall be "brand new;" in virgin condition, unused, unopened, undamaged, in its original manufacturers packaging as would be found in a retail store. Under no circumstance may a product provided to the STPSB be refurbished, reconditioned, "like new" or previously used in any way. If the STPSB determines a product to be anything other than "brand new," vendor will be deemed in breach of bid terms and bid award may be revoked and awarded to the next lowest bidder.
14. Bid pricing shall include all inside delivery charges to the various schools and other School Board locations within St. Tammany Parish (ATTACHMENT E).
15. **Delivery is to be Freight on Board (FOB) destination.** The STPSB will not be responsible for items lost or damaged in transit or additional shipping and/or freight charges.
16. Successful bidder(s) will be required to mark all shipments/deliveries with the purchase order number clearly visible on the exterior of each container. A packing slip must be furnished with each shipment listing the purchase order number, stock/item number and description of each item and the quantity ordered.
17. Sales tax IS NOT to be included in your bid price. St. Tammany Parish School Board is exempt from sales tax as provided by LA R.S. 47:301 (8). Sales tax exemption only applies to purchases between St. Tammany Parish School Board and the contractor/vendor. Sales tax exemption does not apply to purchases made directly by the contractor/vendor to other companies on behalf of the school board. Those purchases are not sales tax exempt.
18. Bidders may bid on the entire list of supplies or any individual item or any combination of items, other than those specified on the bid form.
19. Items will be ordered via purchase order on an "as needed" basis. Items bid with a minimum order of quantities will not be considered.
20. Federal funds may be used to make purchases from this bid. As such, ATTACHMENT A "Contract Provisions for Procurement Contracts" will be applicable and shall be considered part of the bid documents.
21. The following attached forms must be completed and returned with your bid: ATTACHMENT B "Certification Regarding Debarment/Suspension," ATTACHMENT C "Certificate Regarding Lobbying, Disclosure of Lobbying Activities" and ATTACHMENT D "Non-Collusion Statement." **Failure to comply will cause your bid to be non-responsive.**

22. ATTACHMENT F “Affidavit” for compliance with Section 889(a) of the Fiscal Year 2019 National Defense Authorization Act **must be completed, notarized and returned** with your bid.
23. Successful bidder must consent to and yield to the exclusive venue and jurisdiction of the 22nd Judicial District Court for the Parish of St. Tammany, and waive any and all claims of entitlement to removal of any case from this jurisdiction, including any removal to any Federal Court, in connection with any proposal or bid.
24. The School Board reserves the right to select a higher priced item where, in the judgment of the School Board, such item is of superior quality or design or would be more suitable for the purpose intended.
25. The School Board further reserves the right to adjust quantities by increasing or decreasing and to reject any and all bids when in the best interest of the School Board.
26. Successful bidder(s) must maintain designated account representative to assist with orders, billing, shipping, incorrect pricing, operations, etc. If representative vacates their position, successful bidder(s) must assign a new representative and notify the STPSB in writing at purchasing@stpsb.org within fifteen (15) days of change.
27. Invoice(s) must be those of the successful bidder and must show the purchase order number, complete unit description, quantity ordered, quantity delivered, quantity billed for, unit price and total amount along with any discontinued and/or unavailable items. Items being invoiced must match the purchase order. (i.e. unit/item description, quantity delivered, quantity ordered, unit price)

Louisiana recently enacted new requirements that govern the collection, disclosure and use of personally identifiable information of students. The new laws include increased contract requirements between schools or districts and anyone entrusted with such personally identifiable information. The items listed below are specific requirements necessary for any contract that governs the release of student information.

Sensitive information must be protected at a level that can ensure that only those who are authorized to view the information are allowed access (secure passwords, encryption, etc.) The vendor's network must maintain a high level of electronic protection to ensure the integrity of sensitive information and to prevent unauthorized access in these systems. Regular review of the protection methods used and system auditing are also critical to maintain protection of these systems. Vendor agrees to protect and maintain the security of data with protection security measures that include maintaining secure environments that are patched and up to date with all appropriate security updates as designated by a relevant authority.

In order to ensure that only appropriate individuals and entities have access to personally identifiable student data, organizations must implement various forms of authentication to establish the identity of the requester of the information with a level of certainty that is commensurate with the sensitivity of the data. Each organization must individually determine the appropriate level of assurance that would provide, in its specific environment, reasonable means of protecting the privacy of student data it maintains. No individual or entity should be allowed unauthenticated access to confidential personally identifiable student records or data at any time.

The individual, vendor or entity shall implement appropriate measures designed to ensure the confidentiality and security of personally identifiable information, protect against any anticipated access or disclosure of information, and prevent any other action that could result in substantial harm to St. Tammany Parish Public School Board or any individual identified with the data or information in vendor's custody.

Vendor agrees that any and all St. Tammany Parish Public School Board personally identifiable student data will be stored, processed, and maintained solely on designated servers and that no St. Tammany Parish Public School Board data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, unless that storage medium is in use as part of the vendor's designated backup and recovery processes. All servers, storage, backups, and network paths utilized in the delivery of the service shall be contained within the states, districts, and territories of the United States unless specifically agreed to in writing by a St. Tammany Parish Public School Board employee with signature authority.

Vendor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in the Original Agreement or Contract. Data shall not be distributed, repurposed or shared across other applications, environments, or business units of vendor. As required by Federal and State law, vendor further agrees that no data of any kind shall be revealed, transmitted, exchanged or otherwise passed to other vendors or interested parties.

St. Tammany Parish Public School Board Contract Addendum

Vendor agrees that, as required by applicable state and federal law, auditors from state, federal, St. Tammany Parish Public School Board, or other agencies so designated by the School System, shall have the option to audit the outsourced service. Records pertaining to the service shall be made available to auditors and St. Tammany Parish Public School Board during normal working hours for this purpose.

Vendor agrees to comply with the Louisiana Database Breach Notification Law (Act 499) and all applicable laws that require the notification of individuals in the event of unauthorized release of personally identifiable information or other event requiring notification. In the event of a breach of any of the vendor's security obligations or other event requiring notification under applicable law, vendor agrees to notify St. Tammany Parish Public School Board immediately and assume responsibility for informing all such individuals in accordance with applicable law and to indemnify, hold harmless and defend St. Tammany Parish Public School Board and its employees from and against any claims, damages, or other harm related to Notification Event.

The vendor agrees that upon termination of this Agreement it shall return all data to St. Tammany Parish Public School Board in a useable electronic form, and erase, destroy, and render unreadable all St. Tammany Parish Public School Board data in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities, and certify in writing that these actions have been completed within 30 days of the termination of this Agreement or within 7 days of the request of an agent of St. Tammany Parish Public School Board, whichever shall come first.

Vendor and St. Tammany Parish Public School Board acknowledge that unauthorized disclosure or use of the protected information may irreparably damage St. Tammany Parish Public School Board in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any protected information shall give St. Tammany Parish Public School Board the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorney fees). Vendor hereby waives the posting of a bond with respect to any action for injunctive relief. Vendor further grants St. Tammany Parish Public School Board the right, but not the obligation, to enforce these provisions in vendor's name against any of vendor's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors violating the above provisions.

Vendor must have established and implemented a clear data breach response plan outlining organizational policies and procedures for addressing a potential breach, which is an essential step in protecting the privacy of student data. Prompt response is essential for minimizing the risk of any further data loss and; therefore, plays an important role in mitigating any negative consequences of the breach, including potential harm to affected individuals. A data breach is any instance in which there is an unauthorized release or access of personally identifiable information or other information not suitable for public release. This definition applies regardless of whether an organization stores and manages the data directly or through a contractor, such as a cloud service provider.

St. Tammany Parish Public School Board Contract Addendum

A vendor's audit strategy will require the following actions to protect and retain audit logs. The storing of audit logs and records on a server separate from the system that generates the audit trail. Access to audit logs must be restricted to prevent tampering or altering of audit data. Retention of audit trails must be based on a schedule determined collaboratively with operational, technical, risk management, and legal staff.

Vendor is permitted to disclose Confidential Information to its employees, authorized subcontractors, agents, consultants and auditors on a need to know basis only, provided that all such subcontractors, agents, consultants and auditors have written confidentiality obligations to vendor and St. Tammany Parish Public School Board.

The confidentiality obligations shall survive termination of any agreement with vendor for a period of fifteen (15) years or for so long as the information remains confidential, whichever is longer and will inure to the benefit of St. Tammany Parish Public School Board.

INSTRUCTIONS TO BIDDERS FOR COMPLETING CERTIFICATION FORM

NOTE: Each responsive bidder must include this certification statement with its bid on each contract equaling or exceeding \$25,000 or any contract for audit services regardless of amount.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections in accordance with the OMB guidelines of 2 CFR 180 that implement Executive Order 12549 and 12689. (Contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.)
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification that a prospective participant in a lower tier covered transaction has not been debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless the participant knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
