# OAKLAND SCHOOLS BOARD OF EDUCATION

Oakland Schools is overseen by the Oakland Schools Board of Education. Our Board is elected to six-year staggered terms every other year by the boards of Oakland County's 28 school districts. Candidates are registered electors, and are often local Board members.

The Board meets twice each month at Oakland Schools unless otherwise noted on the Board calendar. These public meetings are posted both on the Oakland Schools website and at the Oakland Schools Educational Service & Professional Development Center, as are property transfer hearings.

Meeting schedules, agendas, minutes and handouts can be retrieved on the Oakland Schools website at [www.oakland.k12.mi.us](http://www.oakland.k12.mi.us) under "About Us," "Board of Education".

# INTRODUCTION

Dear Reader,

I am pleased to share the 2024-25 edition of our Summaries and Surveys report. This document is an annual resource that offers a clear, data-informed view of Oakland County's educational landscape. It is designed to support families, educators, and community leaders in understanding and evaluating academic trends, program offerings, and performance benchmarks across our districts. Reflecting on my first year as superintendent of Oakland Schools, I continue to be inspired by the depth of commitment, innovation, and collaboration across our county.

The data presented in this report are carefully compiled from various reliable sources, including official reports from the Michigan Department of Education (MDE). These reports are based on information submitted by every public school district and public school academy under state requirements. While the data provide valuable insight into many aspects of district operations, they are just one piece of the broader picture. Proper understanding of educational quality in Oakland County also requires consideration of performance-based indicators, local context, and the diverse needs of our learners.

At Oakland Schools, we believe deeply in every student's potential. All students can thrive when equipped with the right resources, support systems, and learning environments. Our mission is to deliver the services, expertise, and leadership that empower districts to elevate student achievement, maximize the use of public resources, and meet state and federal standards. By fostering strong partnerships and a shared vision for excellence, we remain committed to continuous improvement and meaningful outcomes for every learner across our county.

As the regional educational service agency for Oakland County, we are proud to support 28 public school districts, numerous public school academies, and various nonpublic schools—each with strengths, character, and unwavering commitment to student success. In an ever-evolving educational landscape, we continue to respond with innovation, flexibility, and determination. Our

efforts remain focused on delivering high-quality support, driving operational efficiencies, and ensuring every student is equipped with the knowledge and skills needed to thrive in today's global economy.

Oakland Schools organizes our strategies around these central objectives:

- Increase student achievement
- Serve diverse needs of schools
- Decrease costs/increase efficiencies

## OUR BELIEFS

We believe:

- It's about service.
- Students form the lens through which our best educational decisions are made.
- All students can and will learn.
- Collaboration builds understanding.
- Education is a shared responsibility.
- Our success depends upon our employees.
- Change is opportunity.
- Lifelong learning is a key to lifelong success.
- Effective relationships are powerful.
- Differences expand our thinking.
- Visionary leadership creates a dynamic environment.
- We must develop leaders for tomorrow.
- Ethical behavior is everyone's responsibility.

## HOW WE ARE FINANCED

Oakland Schools is financed by Oakland County taxpayers through an annual authorized property tax millage. The combined millage rate for 2023-2024 was 3.1658. Oakland Schools operates using three major funds:

- 1. General Education Fund** provides instructional and administrative support for districts and obtains its revenue primarily from a property tax levy. Oakland Schools was authorized to collect .1881 of a mill (\$14.0 million in 2023-24).
- 2. Special Education Fund** is supported by a tax of 2.3925 mills (approximately \$177.4 million in 2023-24) and supports Special Education administration and district services, including compliance support and district and student services.
- 3. Career Focused Education Fund** supports Vocational Technical Education administration, the four Oakland Schools Technical Campuses that serve students from all 28 local school districts at no cost to the sending districts, The County as a Classroom initiative and several specialized technical academies. The fund is supported primarily by a levy of .5852 mills (approximately \$43.4 million in 2023-24).

In addition, Oakland Schools operates three grant funds that are actively sought out to defray costs of regional projects. Oakland Schools serves as the fiscal agent for grants that fund ongoing and pilot projects for the benefit of Oakland County students (approximately \$122.7 million in 2023-24).

For more detailed information about our annual budget, visit the Oakland Schools website at [www.oakland.k12.mi.us](http://www.oakland.k12.mi.us) and click on the Budget and Salary/Compensation Transparency Reporting logo at the top right of the page. # PUPIL ACCOUNTING 2024-2025

# PRO-RATED MEMBERSHIP FOR STATE AID

## **PUBLIC SCHOOL MEMBERSHIP**

Public school membership reflected in this publication is the 2023-24 spring and 2024-25 fall membership. Membership for Special Education students has been pro-rated in general education grade levels and in Special Education categories based on the percentage of time spent in each classroom.

## **FULL-TIME EQUIVALENT AND MEMBERSHIP DEFINED**

(Michigan Department of Education Pupil Accounting Manual)

FTE is the individual pupil's prorated share of membership. Membership is the full-time equivalent number of pupils enrolled and in regular daily attendance on the official count day in accordance with the State School Aid Act and Administrative Rules. In no circumstance may the reported membership for an individual pupil be greater than 1.00 FTE.

## **EXCLUDING RESIDENCY ADJUSTMENTS**

A residency adjustment occurs when a pupil attends a district (known as the educating district) that is not the pupil's resident district, and the educating district could not obtain a release from the resident district to count the pupil in membership. In these cases, the pupil is listed as attending the nonresident district, but their FTE is subtracted from the educating district's membership report.

# TAX VALUATIONS AND RATES

## TAXABLE VALUE

Taxable Value is a property valuation calculation utilized by state and local taxing agencies to assess the prevailing tax millage rate. The difference between Taxable Value (TV) and the State Equalized Value (SEV) is the result of voter approved legislation such as the Headlee Amendment and Proposal A. Specifically, Taxable Value has been capped at the annual property value increase or an indexed formula representing an annual inflation factor, whichever is less. Taxable Value will be increased to reflect market value upon the transfer of title/ownership. Typically, for these reasons, Taxable Value lags behind that of SEV.
