

The Panther Pantry is located in West High School and is open to any student in the district. The pantry supplies food and hygiene supplies. Families of high school students can arrange for students to visit the pantry during the school day via their guidance counselors. Families of younger students can visit the main office during school hours to request access or email Evelyn Payne (epayne@pmsd.org) to make arrangements outside of school hours.

Resources beyond what the pantry provides can be searched via sluhn.findhelp.com
