

MISSION VIEJO CHRISTIAN SCHOOL

KINDERGARTEN

Mission Viejo Christian School was named a **National Blue Ribbon School in 2024** by the U.S. Dept. of Education and is fully accredited by:

- *Association of Christian Schools International (ACSI)*
- *Western Association of Schools and Colleges (WASC)*

GENERAL INFORMATION

At Mission Viejo Christian School, kindergarten students begin each day with a time of pledges, prayer and worship, setting a Christ-centered foundation for learning. A biblical worldview is integrated throughout all core subjects, including math, science, language arts, social studies, and Bible. Enrichment classes—such as physical education, music, STEM, library, and art—are taught by specialized instructors who bring expertise and creativity to each discipline. To enhance learning through technology, iPads and Chromebooks are used in the classroom.

Average Class Size: 22, with a full-time Teacher's Aide

SPIRITUAL DEVELOPMENT

Chapel & Missions

Students at Mission Viejo Christian School attend chapel each Friday, where they participate in age-appropriate worship and hear practical, biblically grounded messages. Living a Christ-centered life is modeled through serving and loving others as the hands and feet of Jesus. MVCS also offers meaningful, school-wide and classroom-based mission opportunities that help students grow in compassion and develop servant hearts.

SOCIAL SKILLS

As part of a school-wide focus, Mission Viejo Christian School emphasizes Christian character development, manners, relational skills, and biblical conflict resolution. The School Counselor supports this initiative by visiting classrooms to teach age-appropriate lessons on communication, emotional regulation, and resolving conflict through the lens of Scripture.

ACADEMICS

English Language Arts

Students learn to read and comprehend text using materials appropriate to their developmental level, with a focus on blending phonetic sounds and building reading fluency. They respond to stories through discussion, drawing, and early writing. Instruction includes learning to print upper - and lowercase letters and apply basic capitalization, punctuation, and spelling rules. Writing experiences focus on expressing ideas through simple personal narratives, informational statements, and opinion pieces.

Textbooks/Resources:

- Journeys (Houghton Mifflin)
- UFLI Phonics
- iReady MyPath (online reading resource)
- Primary Bliss Writing Program
- Handwriting Without Tears

Mathematics

Students develop foundational math skills including counting, number writing, place value, addition, subtraction, and problem solving. They also explore geometry, logical thinking, graphs, calendars, rulers, time, and measurement. Concepts are introduced gradually and reinforced throughout the year to build mastery and confidence.

Textbooks/Resources:

- Primary Math (Singapore)
- iReady MyPath (online resource)

Science & Health

Students explore life science (plants and animals), physical science (forces and simple machines), and earth science (weather). Learning is enriched through hands-on activities and experiments that foster curiosity and scientific thinking.

Textbooks/Resources:

- Mystery Science
- STEM Lab

Social Studies

Students begin the study of history with concepts anchored in the experiences they bring to school from their families and communities. Students explore being a good citizen, homes, holidays, work now and long ago, geography, time and chronology, and life in the past.

Resource:

- My World (Houghton Mifflin)

Bible

MVCS is dedicated to equipping students with a biblical worldview, helping them understand and embrace God's design for humanity. By studying worldview alongside apologetics, students gain greater confidence in Christ and develop the ability to care for others by thoughtfully addressing objections to Christianity and sharing compelling reasons for their faith.
