

MEMORANDUM OF UNDERSTANDING
Between the
FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT
AND
CSEA CHAPTER 528

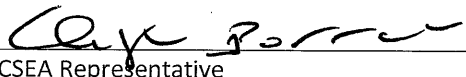

This Memorandum of Understanding is intended to resolve an ongoing issue with staff moving between "Job Families" on the Salary Schedule and the resulting payroll complications.

Currently, there are two separate "families" on the Classified Salary Schedule (Maintenance Series and Operations Series) that the District proposes be combined into one Classified Employee Salary Schedule Series. This new group would be called "Maintenance and Operations Series".

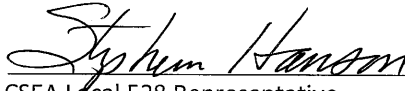

This proposed change will facilitate easier movement between the classifications.
