

Imse Impact

MORPHOLOGY PLUS

Orton Gillingham Training

Spring Cohort!

IMSE's Morphology training engages educators on the components of Structured Literacy!

This training equips upper elementary, middle, special education, and adult literacy educators to:

- provide their students with an **in-depth study of orthography and morphology**
- **have an immediate impact** on their students' vocabulary, fluency, and comprehension using **multisensory strategies**
- utilize **research-based tools and knowledge** to refine their instructional routines

Tuesdays
8:00 - 3:30 pm

March 3
March 10
March 17
March 24
March 31

Virtual
Training

\$500 per
participant

(\$1275 for private school participants)

Connect with your district leadership to register for this learning opportunity!
