# PHONOLOGICAL AWARENESS

## Orton Gillingham Training

Winter  
Cohort!

**IMSE's Phonological Awareness Training engages educators with essential tools for early literacy success!**

This training equips prek-2nd grade educators, reading interventionists, and special education educators to:

- deepen their understanding of **phonological awareness, orthographic mapping, and phonemic awareness.**
- accurately **produce the 44 sounds** of the English language.
- **assess phonemic awareness** using multisensory strategies.
- utilize **research-based tools and knowledge** to refine their instructional routines.

**Tuesdays**  
**8:00 - 3:30 pm**  
December 2  
December 9

**Virtual  
Training**

**\$200 per  
participant**  
(\$500 for private school participants)

Connect with your district  
leadership to register for  
this learning opportunity!
