## Eton Porny C of E First School Newsletter 37 – Summer Term 2

11th July 2025

*We are all created unique and special.*

*He made us all perfect having our own uniqueness.*

*1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."*

Dear Parents/Carers,

It was amazing to have so many parents in school this morning for our final express event of the year. You will have all received your child's record of achievement for the year and I'm sure you will agree that it has been a jam packed year of learning and opportunities. We look forward to the year 4 leavers fair, assembly and other celebrations next week. Look out for key dates for next year that will be coming home next week.

Wishing you a lovely weekend, Emma Stanford-Smith (Headteacher)

### LEARNING SNAPSHOTS

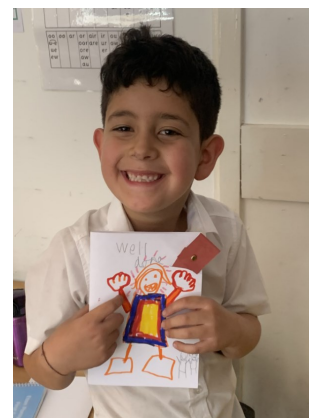

**Year 1** have enjoyed learning to tell the time this week! They have been working hard on telling the time to the hour and half past on analogue clocks! They have also been doing lots of computing this week and have enjoyed using beetbots

**Ask me: To tell the time**

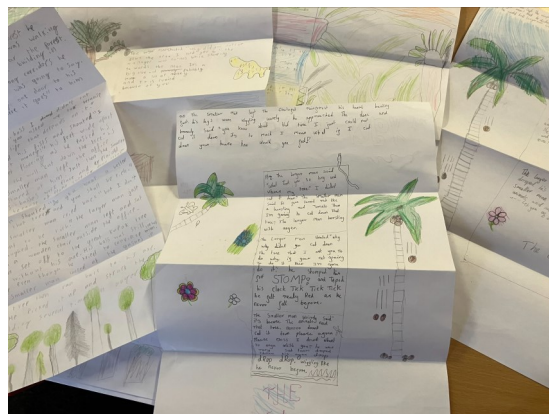

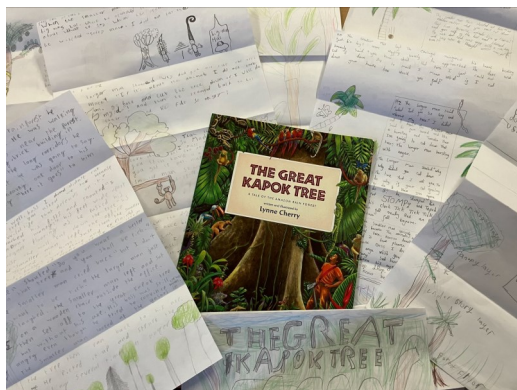

**Year 2** have had a creative week and have been learning all about sliders, pivots and levers. They have made various prototypes and designed their own greeting cards with moving parts. They have then independently made their cards this afternoon.

**Ask me: What is a lever?**

**Year 3** have been really sensible and mature this week with their learning all about 'changing me'. They enjoyed their session in swimming where they had to swim in their clothes. Despite the heat, the summer games was enjoyed by all! **Ask me: how I'm feeling about the changes I might experience during puberty.**

**Year 4** enjoyed spending time in reception on Monday, completing some art with Mrs Hogan. In Maths, the children spent the morning completing problem solving activities with Nathan Crook. The children have also made some excellent clay statues which will be coming home next week. In PE, Year 4 took part in the summer games at Windsor Boys School.

**Ask me: Which 'Nathan Crook' problem solving activities did you enjoy the most?**

The multiplication tables check results have been issued and we are incredibly proud of our Year 4 children. The average score was 23 out of 25, which is above the national average and our highest average as a school. Almost half of the children received full marks. The scores have been written into the children's planners to share at home. We would encourage all the children to keep working on their times tables over the summer ready for Year 5 Maths.

**Reception** enjoyed their transition day in Year 1 with Mrs Dewar and had fun exploring the classroom. They focussed in the story Farmer Duck and completed some Maths, English and role play activities about the book. When back in Reception, we spent time talking about different emotions we are feeling with these changes and wrote some sentences about they did in Year 1. **Ask me: What did you do in Year 1?**

## YEAR 4 FAIR

On Wednesday 16th July, in the afternoon, the children will have the opportunity to attend the Year 4 fair. This is a Highly anticipated annual event. The children can bring up to £5 to spend at the fair. All the money goes to buying school resources. The Year 4 children have planned some excellent stalls and are looking forward to running their stalls next week.

### FORTHCOMING DATES

14th July	Year 2 Windsor Castle Trip
16th July	Year 4 Leavers Dinner More info to follow
18th July	Year 4 Leavers assembly and picnic-More info to follow Children break up 1:15

Year 1: Charlie  
Year 2: Leo R  
Year 3: Sonia  
Year 4: Azlan

A huge well done to all of these children.  
We are really proud of you.

# PTA Summer Fair – Thank You!

We hope everyone had an amazing time at the Summer Fair — and we're thrilled to share that, thanks to your support, we raised a fantastic £541.32!

A huge thank you to all the parents who came along and made the day so special. An extra round of applause goes to our incredible volunteers — your time, energy, and enthusiasm made all the difference. We truly couldn't have done it without you!

We'd also like to give a big shoutout to some generous local supporters:

- Tesco Slough – for donating brilliant prizes for the bottle tombola and snack shop
- John Padwick Landscapes – for helping with the hiring of the portable toilet (a less glamorous job, but very important!)
- We Make Footballers – for running the exciting penalty shoot-out and 5-a-side tournament.

Well done to the reception parents who raised the most amount of money for the year group stalls, the PTA will be arranging a little reward for the reception children.

I'm pleased to report the PTA has agreed another round of funding for the school for approximately £1041, the items are:

- Colouring pens and pencils for each classroom
- Maths resources for each classrooms
- White Rose books to support in class learning

We look forward to supporting the school and your children in their next academic year!

Wishing you all a sunny, relaxing, and fun-filled summer holiday!

Best wishes,  
Pete and Jaz

# Save **our** planet

It is our planet. You are just as responsible for global warming as anybody else. But this also applies to saving it! Don't just rely on others! You could be the next environmentalist!

Please scan to sign my petition

## What can **you** do?

Anything! Recycle, don't put on the heating as often, eat less beef, save electricity, walk or ride places and loads more! I know it sounds boring, but it really does help. Please, do whatever you can!

## What have **I** done?

I have put a petition on the government website. To ban **non recyclable plastics**. It is really important because it stops landfills.....well, filling up! It is also awful because plastic is made from oil. This is a **Non renewable source** which means it will run out.

## About **me**

My name is Erin. I am 11 years old and go to the local middle school in Windsor. I love guinea pigs - I have two- and am invested in helping our planet.

One of our former Pupils is doing something amazing. They have set up an online petition to ban non recyclable plastics. Here is the link to sign the petition:
