August 2025

Dear Parents and Guardians:

I cordially invite you to attend our annual Back-to-School Night on Thursday evening, September 4, 2025, from 6:30 pm until 9:05 pm. To begin the program, parents will report directly to the high school auditorium for a brief presentation by the building leadership team. Once this concludes, parents will report to their student's homeroom and then proceed through the evening following that student's schedule, first through "A" Day, then through "B" Day.

Though it is early in the school year, our faculty has been working diligently to develop and provide exciting educational experiences for all of our students. They will share information about these experiences, along with course information and expectations for student performance. Teachers have been advised that this evening is not the appropriate forum for a conference about individual pupils. Parents interested in a parent/teacher conference with a staff member should contact the school to make appropriate arrangements.

I hope the opening of the school has been a positive experience for you and your student. Please remember that your involvement in and support of your student's endeavors in the high school is critical to his/her overall success. I ask that you get involved and stay involved. As always, if you have any questions or concerns, do not hesitate to call or email.

The schedule for Back-to-School Night is printed on the next page. Before Thursday night, please log into Genesis and print (or copy) your student's schedule. All classes except science labs and study halls/VIPS will meet. In our effort to promote a "green" work life and to save taxpayer money, we will not be printing schedules to send home. I look forward to meeting you on the 4th.

Always remember, every day is a great day to be a Gael!

Respectfully,

William Crispino
Principal

Matthew Mawn
Assistant Principal

Erin Posbergh
Assistant Principal

William Crispino
