PITTSFORD, NEW YORK

*2025-2026 Schedules and Events*

Dear Parents:

Welcome to the 2025–2026 School Year!

I hope this calendar serves as a helpful tool for you and your family as you stay informed about District and school events, including Board of Education meetings, open houses, concerts, and more.

Throughout the school year, our District website at [www.pittsfordschools.org](http://www.pittsfordschools.org) will feature highlights from these events, provide important updates, and offer links to each school's website. We encourage you to visit the site and check our online calendars regularly for the most current information and any schedule changes.

I look forward to the many exciting activities and events planned this year and hope to see you at some of them.

Thank you for your continued support of our students and schools.

Sincerely,

Michael Pero  
Superintendent of Schools

## Welcome

Your Pittsford Central School District Board of Education cordially invites you to attend board meetings and to take an active role in the education affairs of our community.

The decisions of your elected Board of Education affect your child, your tax rate, and the well being of your community. The Board urges your participation in such important matters.

There are many ways for you to participate in your schools. Some of these are:

- Keep informed and interested in your schools.
- Express your views by letter or in person to the Board.
- Elect the best-qualified board members.
- Participate in school and District activities and organizations.

### Structure

The Board of Education is the official policymaking body of the school district. It is comprised of seven District residents who are elected to three-year terms by District voters at the annual District election. This is an unpaid, elected position.

### Participation in Meetings and Communicating with the Board of Education

The Board of Education welcomes your comments, concerns, and questions. The meeting agenda provides for one Public Comment period. To participate in public comment, residents should complete the online submission form, located on the District website, prior to a Board meeting. In addition, residents may also write, call or email Board members and District personnel directly regarding any issue of concern. The Board

of Education encourages residents to address their concerns initially with the employee closest to the issue. This process typically brings the swiftest and most satisfying results.

When a resident communicates with an individual Board member, that information is shared with the rest of the Board and the Superintendent of Schools.

### *District Annual Vote on Budget and Election of School Board Members May 19, 2026*

District residents vote on the school budget, propositions and Board of Education candidates at the District's annual election. This year's voting date is set for Tuesday, May 19. The vote will take place at Calkins Road Middle School due to ongoing Capital Project Construction at BRMS.

### Qualifications for a School District Voter

Qualified voters must present valid identification in the form of a driver's license, non-driver identification card, utility bill, or voter registration card and be a citizen of the United States, at least eighteen years of age and a resident of the school district for at least thirty days prior to election.

### Nomination Procedure for Candidates for the Board of Education

Candidates for the Board of Education are nominated by petition. This petition may be obtained at the administration building from the School District Clerk. It must comply with the current regulations for the total number of signatures and addresses of District residents. Deadline for submission to the school district clerk for the 2026 application is April 20, 2026 at 5pm, Administration Offices, 75 Barker Road – East Wing.

# Pittsford Central Parent Teacher Student Association (PTSA) 2025-2026

Dear Parents, Guardians, Teachers, and Students,

The Pittsford Central PTSA would like to welcome you to the 2025-26 school year! It is an honor and a privilege to serve as leaders of our Pittsford Central PTSA. We are committed to the PTSA Mission and Vision: Every Child, Once Voice. We will strive to be a powerful voice for all children, a relevant resource for families and communities, and a strong advocate for the education and well-being of every child.

Pittsford Central PTSA is pleased to continue to offer a variety of fun and engaging activities across all our schools like, visiting authors, elementary after school enrichment programs, cultural arts programing, field trips, fun nights, spirit wear, book fairs, enrichment grants, honor graduate awards and senior events. We also sponsor and provide a variety of educational programs for parents and families as well as social events, such as school-wide picnics, in order to foster connections and build our school-community.

As a volunteer organization, we appreciate your time and interest in making each one of our programs and events are a success. There are many opportunities to help and to meet others; from attending monthly meetings, to planning or volunteering at an event, to volunteering for a leadership role. We welcome all families to participate in a way that best meets their interests and availability.

For more information on membership and how to become involved, visit our website:

## Mission

Founded in 1992, Pittsford Education Foundation (PEF) is a nonprofit foundation dedicated to establishing sustainable funding beyond what the government can provide in support of the Pittsford Central School District's (PCSD) children, families, and educators in their pursuit of educational distinction and development.

## Vision

Pittsford Education Foundation will increase financial resources supporting the District in addressing the most critical strategic educational initiatives that face the children in our community. The Foundation board is proud to engage our community as ambassadors – working to improve our schools and prepare our students for the world.

PEF commitment is inclusive – ensuring all students in the PCSD have equitable access to exceptional educational opportunities.

[pittsfordedufoundation.org](http://pittsfordedufoundation.org)

## FAQ

**What is the purpose of the Pittsford Education Foundation?**

The Foundation's purpose is to establish sustainable funding beyond what the government can provide in support of the Pittsford Central School District's (PCSD) children, families, and educators in their pursuit of educational distinction and development.

**Who is involved in directing the Foundation?**

It is managed and directed by a private volunteer board of community members representing many aspects of the area's business, cultural and educational leadership.

**Is PCSD administration involved?**

The PCSD Superintendent and Chief Information Officer serve as ex-officio members of the Foundation board.

**What type of initiatives does the Foundation fund?**

The Foundation invests in initiatives focused on ensuring equitable student experiences, staff support efforts, and capital/facility-based projects. However, the Foundation is not limited to the above areas and looks to address the immediate priorities of the District.

**Who decides the projects and programs the Foundation will fund?**

The Foundation partners with District leadership to identify top educational priorities and subsequently invests in initiatives focused on ensuring equitable student experiences, staff support efforts, and capital/facility-based projects.

**Why do we need the Pittsford Education Foundation?**

Foundations in support of public education are a growing occurrence throughout the country. The cost of education is increasing at a rate that exceeds the district's ability to match through its budget, which is constrained by State legislation and aid. At the same time, the needs and expectations of today's students have changed considerably—it is essential they have personalization, more relevant and authentic experiences, and acquire the skills to succeed in their academic and professional journey.

The right resources and technology are required to address these changes and ensure the success of our students, staff, and faculty. Lack of funding leaves a resource gap that neglects the future of Pittsford students – a gap that only community and philanthropic support can close.

## Supporting Youth. Strengthening Families.

For over 50 years, Pittsford Youth Services has been the respected leader in providing social work services and counseling to the **youth and families** of Pittsford. PYS was founded in 1969 by a group of local churches and was legally incorporated in 1987 as a nonprofit human services agency. We are committed to enhancing the quality of life of our youth, whether they are burdened by academic, social or emotional issues, thereby helping them to become successful, contributing citizens of our community. The support PYS offers to youth and their families directly impacts a child's overall health and likelihood of success in school and in life.

## Our Mission

*Pittsford Youth Services, Inc. (PYS) is dedicated to providing youth and their families with confidential, professional and affordable social work services in the schools and Pittsford community. PYS strives to enhance social and emotional well-being through counseling, advocacy, educational programs and informational services.*

## Our Vision

*Pittsford Youth Services will seek to build a community where every child feels valued and empowered. To that end, PYS will be the respected leader and provider of professional social work services for Pittsford youth and their families.*

PYS is proud to be the provider of professional social work services for the Pittsford schools at our offices in the Village of Pittsford. All PYS social work staff are New York State Licensed Master's Level Social Workers (LMSW) or Licensed Clinical Social Workers (LCSW).

## How to Access Services

**Eligibility:** Any youth, ages 5-21 and their families, who live, work, attend school or worship in the town of Pittsford.

**Cost:** Services in the schools for youth are free. Additional counseling services are available at our offices on 4 South Main Street in the Phoenix Building in the Village at a cost of \$75 per session. A sliding scale is utilized in working with families who may have limited resources, and services are never denied based upon inability to pay.

**Contact:** Anyone can make a referral to PYS or request services. Parents may contact their child's teacher, school counselor or the PYS office directly to arrange services. Appointments at the PYS office are available during the day, some evenings and as arranged directly with the social worker.

## PYS Services

- Individual and family counseling
- Home visits
- Referrals to outside agencies
- Social-emotional youth groups
- Grief and loss counseling
- Support of Special Ed. Services
- Parent education programs
- Skill-based groups
- Drug and alcohol education/information programming

*For more information or to learn how you can help, call (585) 264-0604 or visit our website: [www.pittsfordyouthservices.org](http://www.pittsfordyouthservices.org).*

# Special Education Services

The District Special Education Department is committed to a partnership with parents, families and school district personnel in the education of children. Questions about services can be directed to the Director of Special Education, at 267-1014.

The mission of the Special Education Department is to support diverse learners and to foster an inclusive culture within our schools and community. Through a network of supports, students with disabilities are empowered to identify, pursue, and fulfill their personal aspirations as they participate in our global society.

## What is special education?

Special Education services are specially designed individualized or group instruction, special services, or programs to meet the unique needs of students with disabilities. Special Education programs and services are provided for eligible students, ages 3-21, without cost to the parent.

## What is the process to access services in Pittsford?

If a parent, teacher, or other person knowledgeable about a student believes that the student has a disability, they can contact the Special Education office at 267-1014 or the Student Services Teacher at each school building. Contact information can be found on the Special Education department page of the District website at [www.pittsfordschools.org](http://www.pittsfordschools.org).

## What is the Committee on Special Education?

The Committee on Special Education (CSE), with parental consent, arranges for the evaluation of students thought to have a disability. If the student is eligible for special education services or programs, an IEP (Individualized Education Program) is developed, services are provided, and reviewed at least annually.

# Pittsford SEPTA Special Education PTA

## *Who We Are:*

Pittsford Special Education Parent Teacher Association (SEPTA) is a nonprofit organization committed to supporting students who receive special education services within the Pittsford Central School District. SEPTA facilitates collaboration between caregivers and educators to create inclusive and equitable learning environments where all students can thrive—academically, socially, and emotionally.

## *What We Do:*

SEPTA equips caregivers with essential resources, including information on special education services, relevant laws and rights, and available community supports. We assist families in navigating the complexities of the special education system by helping them interpret documentation, prepare for meetings, and advocate effectively for their student's individual needs. SEPTA works to bring attention to special education issues and partners with the school district to drive meaningful improvements. In addition, SEPTA engages students in activities that promote disability awareness and foster a culture of inclusion.

## *Membership:*

We invite caregivers, educators, students, and community members to join SEPTA for the opportunity to connect with others who understand the unique challenges and rewards of special education. Members gain access to all SEPTA-sponsored meetings and events, as well as opportunities to participate in fundraising initiatives that directly support our mission.

Each member's voice and experience contribute to our collective goal of supporting students, advancing inclusion, and celebrating diversity. You belong here!

## 2025-2026 School Year

Dear PCSD Families,

The District recognizes the importance of assisting our families in need through various programs including free meals. As we enter the 2025-26 school year, I want to provide some updated information.

At the end of June, the District sent a survey to parents asking for input about rejoining the National School Lunch Program that now offers Universal Free Meals. As a result, we're pleased to share with you that, starting in September, PCSD will be reentering the National School Lunch Program and offering Universal Free Meals at the elementary level. Breakfast and lunch will now be free every school day for elementary students. Universal Free Meals are made possible due to changes in state and federal laws.

A requirement of the Universal Free Meals program is for districts to request application forms (on the back of this letter) from those families who are eligible for SNAP or are considered low income.

Please complete and return the application on the back of this letter by August 29, 2025. Completed applications should be sent to Pittsford Food Service Department, 100 Mendon Center Road, Pittsford, NY 14534.

Along with the completed application, please submit the following:

- Original copy of a direct certification letter or a copy of SNAP letter (not a benefits card).

**OR**

- Income verification (two consecutive pay stubs) for all reported income.

Without these documents, the Food Service Department will not be able to review your application for While August 29, 2025 is the deadline, the Food Service Department will continue to accept applications throughout the school year as we understand that circumstances change.

Please feel free to contact me with any questions or concerns at (585) 267-1096 or [Elena\\_Montgomery@pittsford.monroe.edu](mailto:Elena_Montgomery@pittsford.monroe.edu). We look forward to serving your child(ren) healthy and nutritious meals again this school year.

Sincerely,

**Elena Montgomery**  
*Director of Food Service*

### 2025-2026 Application for Free and Reduced Price School Meals/Milk

To apply for free and reduced price meals for your children complete **only one** form for your household, sign your name and **return it to the address listed below**. Call the Director of Food Service at **267-1096**, if you need help. **Income or SNAP documentation required with applications**. Additional names may be listed on a separate paper.

Return Completed Applications to:

**Pittsford Food Service Department  
100 Mendon Center Road  
Pittsford, NY 14534**

#### 1. List all children in your household who attend school:

# Feeding Our Students Healthy Lunches

The Food Services Department looks forward to serving our students nutritious and delicious meals again this upcoming school year. With a wide variety of options, including seasonal fruits and vegetables, the District ensures students can get a healthy meal at an affordable price.

## What's New

- **Re-entering the National School Lunch Program and offering Universal Free Meals at the elementary level this September.** This allows elementary students one breakfast and one lunch per day at no charge. The District's goal is to have secondary students enter the program in the 2026-27 school year as we will need additional time to prepare. Specifically, BRMS cafeteria will be under construction starting next year and additional infrastructure improvements and equipment will need to be ordered.
- **New point of sale system launched in November of 2024.** This system allows for more secure and timely web-based payment processing and will allow the District to roll out interactive web-based menus for the 2025-26 school year.
- **Updating and restructuring serving lines and kitchens** to increase productivity, allow for scratch cooking and prepare for participation increases with the addition of Universal Free Meals. Merchandising will be updated to better delineate between meal components and a la carte items. This will make it simpler for our students to make good choices.
- **Updating snack options to better reflect nutritional goals.** These will be posted on the District website.
- **New seconds policy** - Students will only receive one meal when they go through the lunch line. If they would like to purchase more than one entree, they will need to see the cashier to get a ticket for seconds. Second meals are not free under the Universal Free Meals program.

## Payment Options for Secondary Students

### MySchoolBucks.com

- This system allows you to place money on your student's account from your credit card, debit account or checking account
- A service charge, which does not go to the District, is administered per transaction
- The Food Services Department encourages parents and guardians to add funds in larger increments to avoid multiple service charges from MySchoolBucks
- It is also possible to set up a payment schedule where funds can be automatically added when a certain balance is reached or on a specific day

### Personal Checks

- Please make checks payable to Pittsford Food Service. You can send cash or checks in person or by mail to: Pittsford Food Service Department, 100 Mendon Center Road, Pittsford, NY 14534 OR send monies to school with your child to give to the cafeteria staff
- A minimum amount required for a check deposit is \$10
- A \$15 fee will be assessed for all refunds and any checks returned for insufficient funds

## Account Restrictions

We will be resetting account restrictions this year. If you did not receive an email or letter in the mail about your current restrictions or would like to add them to your child's account, please call Food Service at (585) 267-1096.

# Let's Do Lunch!

## Sides Include

- Fruit: fresh, canned and local when possible
- Vegetables: fresh, assorted chilled and hot
  - Fat-free milk (white or chocolate)
- Assorted juices (apple, orange or grape)

**\*\*Under the Universal Free Lunch Program, elementary students must take at least three of the five meal components (grain, meat/meat alternate, fruit, vegetable, fluid/milk) one of which being a fruit or vegetable.**

## Lunch Pricing

### Elementary

**No cost under the Universal Free Meal Program**

### Middle School

**\$4.25**

### High School

**\$4.50**

## Lunch Options

*To see all of this year's great offerings, visit our new interactive menu on the District website at [www.pittsfordschools.org/departments/food-service/lunch-menu](http://www.pittsfordschools.org/departments/food-service/lunch-menu)*

Dear Parents/Guardians:

Our school community is enriched by the many differences that make us unique, including culture, gender, religion, generation, and background. As our community continues to grow in diversity, so does the importance of fostering a school environment that is respectful, inclusive, and welcoming to all.

At Pittsford Schools, we are committed to promoting inclusivity through our policies and practices. We recognize the importance of religious freedom and believe every student deserves to be supported and respected in their beliefs and observances.

Our curriculum reflects the role that religion plays in shaping cultures, institutions, and individual lives. As such, students may learn about world religions and their customs in appropriate instructional contexts. Religious symbols may be included in lessons when used to support understanding of cultural or historical content.

Families have the right to excuse their children from school for religious observances. These absences are considered excused, and students will not be penalized. They will be given fair opportunities to make up any missed work. We encourage parents to notify the school in advance when a religious observance will result in an absence so we can support the student's academic progress.

If you have any questions or need assistance, please don't hesitate to contact your school principal.

Thank you for your continued partnership in creating a respectful and supportive environment for every student.

Sincerely,

Michael Pero  
Superintendent of Schools

As part of the Pittsford Central School District's Religious Observance policy, this cultural and religious holiday sampling has been included in this District calendar. The purpose of noting these days is to assist staff, students and community members in their awareness and understanding of the various religions in the Pittsford community.

Please note that: 1) all Jewish and Baha'i holidays begin at sundown the previous day; 2) Hindu and Jain holidays are calculated on a lunar calendar and, therefore, are observed at different times in different regions of the country; 3) some religions have different sects which may celebrate religious holidays on different dates, for varying lengths of times.

We have worked hard to ensure as accurate a representation of the religions of our community as possible. This calendar is not intended to include all religious holidays. Sources for the descriptions were local community members, the Pittsford Religious Observance Advisory Council and [www.interfaithcalendar.org](http://www.interfaithcalendar.org).

## A Sampling of Cultural and Religious Holidays

### August 21-28

**Paryushana Parva:** The most important festival of the Jain community, this eight day festival of repentance and forgiveness includes fasting, prayer and meditations. (JA)

### September 22 (at sundown) - 24 (at sundown)

# Emergency Closings and Snow Day Information

## Emergency Closings

We often receive questions from parents and students regarding the process used in making determinations about school closings. Schools are dismissed early or closed due to inclement weather, or other emergencies, only when absolutely necessary for the safety and welfare of students and staff.

The Pittsford Central School District resides in a snow-belt and most storms can be managed effectively. For this reason, please assume school will be open and encourage students to be prepared for their next day's studies.

We understand that a decision to open or close in bad weather will have an impact on our families. We consider many factors while making these decisions, including:

- Current and projected weather conditions.
- Road patrols by the Town and District that report the condition of local roads, sidewalks and parking lots, taking into account snow and ice, as well as other hazards such as downed trees or power lines. These reports also provide an assessment of the progress of snow clearing.
- The District also communicates with local districts about the road conditions in surrounding areas.
- Temperature and wind chill factors. Monroe County Health Department recommends that we consider closing schools if the wind chill is expected to fall between -25 and -40 degrees.

When it is necessary to close or dismiss schools for any emergency, including inclement weather, announcements are made on local radio and television broadcasts by 6:30 a.m. The information is communicated to parents through the Blackboard® notification system and the District's website at [www.pittsfordschools.org](http://www.pittsfordschools.org).

When school is closed for the day or dismissed early, all evening school activities will be cancelled, including athletic practices and contests, club meetings, continuing education classes, and any other student after-school activities. The only exception would be a major district-wide event, such as a concert involving hundreds of students, which could be held if the weather clears sufficiently.

## Provisions made by the school district during early dismissal due to an emergency include:

1. Decision for the release of students to walk home or for intermediate-level students to walk with primary students will be made by the school principal.
2. Schools will be supervised by staff until all students have departed school grounds.
3. The District is equipped to provide for students in the event it is necessary to keep them in school for several hours or overnight. This information will be reported on radio, television, web site, and through the Blackboard® notification system.

## Guidelines for parents in the event of an early dismissal:

1. Special circumstances in the home (working parents, baby-sitter directions, etc.) should be reported in writing to the classroom teacher at the beginning of the school year. Children should know where to go in the neighborhood in the event no one is at their house.
2. Please do NOT call the schools. Phone lines must remain open for emergency calls only.
3. Do NOT drive to the school during inclement weather or a school-closing emergency. School driveways must be kept clear to allow access by school buses and emergency vehicles.
4. Students normally using school bus transportation will be released to their parents only after being properly signed out at the school office. Children will NOT be allowed to leave with other persons without a written release from parents.

Dear Students,

We both know how hard you work in school and that every now and then, you deserve a little break. How lucky that we live in a Snowbelt and have Mother Nature on our side. Just between us, if you follow these rules, the chances of us having a snow day just might increase:

- Put your PJs on inside out and backwards
- Place an ice cube in the toilet and flush (one for each inch of snow you want)
- Yell "Snow Day!" into the freezer
- Put a penny under your pillow
- Put a spoon under your bed
- Wear a colored sock on your left foot, but not your right
- Do a snow dance with your PJs on (backwards and inside out)! Gather up your friends for a stronger force

A snow day is a fun day to spend outside playing, so make sure you finish your homework the night before so you can enjoy the whole day in the snow!

Follow these tips and we might just have a fun snow day in the future.

Superintendent Pero

# Parent/Guardian Notifications

## Consent for use of Photographs/Videos

Throughout the school year, photographs or videotapes may be taken of students for use in district-produced publications, digital communication, including social media, and videos or by the news media. Please consult the Board of Education policies on the website for more information and instructions for opting your child out.

## Access to Student Records

Parents/guardians of students have the right to inspect and review official educational records directly related to their children. Copies of records may be obtained from the school principal at cost.

If parents believe that any record is incorrect or misleading, they have the right to an opportunity for a hearing to challenge the contents.

As part of the Every Student Succeeds Act, military recruiters and institutions of higher education now have access to secondary student names, addresses and telephone numbers. Student directory information, including name, address, phone number, birthday, etc. are available under the Family Educational Rights and Privacy Act (FERPA). A high school student or parent may ask that the District not release such information without prior written parental consent. If you would like to participate in this option please contact the Student Services office at 267-1023.

## Complaint Resolution Process for Every Student Succeeds Act (ESSA) Funded Programs

The New York State Department of Education (NYSED) has a complaint resolution process for Every Student Succeeds Act (ESSA) Funded Programs. To access the process outlined by NYSED to file complaints and allow for the timely resolution of such complaints, visit [www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures](http://www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures). The procedures meet the requirements of ESSA Section 8304(a)(3)(C) and 34 CFR Part 299, Subpart F - Complaint Procedures.

## Parental Right to Request and Review Information Regarding Teacher Qualifications

As a parent/guardian of a student in the Pittsford Central School District, you have the right to request the following information:

- Whether the teacher has met New York State qualifications and licensing criteria for the grade levels and subject areas he or she teaches
- Whether the teacher is teaching under emergency or other provisional status through which the State qualification or licensing criteria have been waived
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees

Requests for information about the qualifications of your child's teacher(s) can be directed to Shawn Clark, Assistant Superintendent for Human Resources at 267-1008. All requests will be honored in a timely manner.

## Asbestos Compliance

The federal law AHERA, enacted in 1987, requires all school districts to inspect and develop a management plan for asbestos found in their school buildings.

PCSD is in compliance with these requirements.

PCSD facilities are inspected every six months to remain in federal and state compliance. These inspections help provide an environment that is clean and free from asbestos hazards. Other activities, which include the training of the maintenance staff to increase their awareness of asbestos and prevent disturbance while making daily surveillance checks, ensure a safer environment for staff and students.

Details of all asbestos activities are described in the district's AHERA management plan, which is available for review in the District Maintenance Building at 100 Mendon Center Road.

## Legislation Regarding Religious Exemptions for Vaccines

New York State legislation (Public Health Law 2164) has eliminated religious, non-medical exemptions from school vaccination requirements, effective June 13, 2019. The revised law specifies that children in a public, private or parochial school, without an approved medical exemption, must receive the required immunizations to attend or remain in school. The District will be required to exclude a child from school if these provisions are not in place.

## Notification of Pesticide Use

All public and non-public schools are required to inform parents/guardians, faculties, and staff of a New York State Education law regarding notification of pesticide use in school buildings and on school grounds during the school year. There are three communication requirements under this law:

1. Notification each fall providing information on the law and its requirements.
2. Notification 48 hours prior to certain pesticide applications at your school building. The following pesticide applications are not subject to prior notification requirements:
  - a school remains unoccupied for a continuous 72 hours following an application
  - anti-micro products
  - non-volatile rodenticides in tamper resistant bait stations in areas inaccessible to children
  - silica gels and other non-volatile ready-to-use paste, foams, or gels in areas inaccessible to children
  - boric acid and disodium octaborate tetrahydrate
  - the application of EPA designated biopesticides
  - the application of EPA designated exempt materials under 40CFR152.25
  - the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets
3. Notification in December, April and June, if other applications have occurred.

Currently, Pittsford Central Schools does not regularly apply pesticides at any of its buildings or building sites. Prevention practices have been the preferred method of control. Any pesticide applications that may be made will be in response to a particular need at a building and would be applied by a certified pesticide control technician.

If you have any questions, please call Jeff Beardsley, Director of Operations, Maintenance & Security, at 267-1090.

## Urgent Notification System

For emergency situations, PCSD uses a notification system to quickly communicate important messages to parents and staff.

PCSD families and staff are automatically included in the email notification system; however,

- Remember to update your contact information with your school registrar whenever there is a change.
- Staff should contact the Business Office with updates.

## Newsletters

The *Superintendent's eNewsletter* is a monthly publication designed to highlight immediate initiatives occurring throughout the school year. It is shared with the community via email, the website and links from Twitter and Facebook.

PCSD sends out a *quarterly newsletter* with important information and articles highlighting District-wide news and accomplishments.

A *budget newsletter* is also mailed to residents, which contains important information regarding the budget vote in May.

In addition to District newsletters, each school distributes important information to its parents and students which may include email announcements, a newsletter, and website posts on the school's web page.

- Each family and staff member should receive the District quarterly newsletters, budget newsletter and Superintendent eNewsletters. If you have not received a copy of the Superintendent's eNewsletter and would like to subscribe, visit the Superintendent's web page on the District website at [www.pittsfordschools.org](http://www.pittsfordschools.org), and sign up today!
- For school-based newsletters, please contact your child's school to find out how information is distributed.

The PCSD YouTube channel provides parents, staff, and the community with an inside look at what is happening around the District. Within the YouTube channel, there are videos about school events, special-interest stories, and meetings. Each school has its own playlist, and there is also a District-level playlist.
