- A fine and ultra fine black sharpie
- 8 or 16 watercolor palette
- Pack of pencils
- Large Eraser
- Brushes

****Please put all supplies in a ziploc with student name on supplies as well as the bag.**

Things we can always use:

- Clorox Wipes
- Baby Wipes
- Ziploc bags (quart/gallon)
- Small paper plates for paint

Hi Parents,

I hope you're doing well! I wanted to take a moment to introduce myself—I'm Ms. Wickerham, the art teacher here at New Lothrop. It's hard to believe, but this will be my 19th year teaching art! Time really flies when you're doing what you love.

I'm especially excited for this school year, as my own children, Gus (8th grade) and Wren (6th grade), will be joining your kids on this creative journey. We've got an exciting lineup of projects planned—painting, drawing, clay, and so much more!

Attached you'll find a supply list to help your child come prepared for the first day. And if you'd like a peek into what we're up to throughout the year, feel free to follow our **NL ART Class Facebook page** for updates and photos of our classroom adventures.

My goal is to make art class something your child looks forward to every single week. Just a heads up—students will be walking from the elementary building to the high school for art class. I expect them to be respectful, responsible, and to clean up after themselves. In the rare case that any issues arise, Ms. Kuchar will be in touch.

To help us stay connected, I've included a link to our class **Remind app** below—it's a quick and easy way to receive updates and important info.

Lastly, a big thank-you in advance to any families who are able to donate Clorox wipes or other optional items listed on the front of the supply letter. Your generosity helps keep our art room clean and running smoothly!

Mark your calendars for **The Hornet Showcase** in the spring—your child's artwork will be proudly displayed for all to see!

If you have any questions or concerns at any point, don't hesitate to reach out. I'm looking forward to an amazing year with your kids!

Warmly,

Elizabeth Wickerham
