This form must be completed for all transfer students requesting a waiver or exemption

THE STUDENT CANNOT PARTICIPATE IN A CONTEST/SCRIMMAGE UNTIL APPROVED BY THE SECTION.

Please check one: **(Required supporting documentation must be attached)**

Waiver Request

- Health & Safety:** Appeals are considered for safety, mental health, personal relationships and other similar circumstances. Written documentation is required from Superintendent of Schools or High School Principal of the sending school indicating the specific circumstances which necessitated the transfer. Supporting documentation from a third party outside of the school may be submitted (ex. police report).
- District of Residency:** (No change of residence. School registration change only.) Student is returning to a school within the district boundaries of his/her residence.
- Hardship:** Each school shall have the opportunity to petition the section involved to approve transfer without penalty based on an undue hardship for the student. Educational Waivers will not be considered as an undue hardship.
- Financial:** Requires documented proof of a significant loss of income or a significant increase in expenses.

Exemption Request

- Divorced/Legally Separated Parents:** A student from divorced or legally separated parents who moves into a new school district with one of the aforementioned parents is exempt provided it occurs once every six months. The legal separation agreement must address custody, child support, spouses support and distribution of assets and be filed with the County Clerk or issued by a Judge.
- Homeless:** Student declared homeless by the Superintendent under McKinney-Vento Legislation [NYSED 100.2].
- Other:** Exemptions (six) as denoted in NYSPHSAA Rule #31 (Transfer). Exemption: _____

Residency Change

NYSPHSAA transfer/residency policy states: (A residency is changed when one is abandoned and another one established through action and intent. Residency requires one's physical presence as an inhabitant and the intent to remain indefinitely. The mere renting of property within the District does not confer residency. **The Superintendent determines residency for enrollment, but this more restrictive requirement is needed for athletic eligibility per NYSPHSAA regulations.**

By signing this document, I attest the information provided is accurate and correct; I have understanding the falsification of information could lead to ineligibility; the immediate family will be physically residing at the current address as inhabitants and intend to remain indefinitely; the student has transferred without inducement or recruitment.
