This map shows the general geographic area zoned to each school. Actual zoning is based on specific street addresses and cannot always be determined visually, especially around the border of a zone. To find the exact school zone and options available to a specific address, please visit our [SCHOOL ZONE FINDER](http://zonefind.mnps.org/zonefind/) website at <http://zonefind.mnps.org/zonefind/> or call Customer Service 615-259-4636.
