## BOARD BRIEFS: July 16, 2025 – Regular Board Meeting

### Meeting Agenda

**Summer School Report:** This year's summer programs supported over 384 students in traditional and enrichment programs. The Traditional Summer School focused on literacy and math, paired with enrichment activities like Legos, gym, and "golf through math."

The Summer Enrichment Program offered engaging electives—such as crafting, gardening, and creative writing—for students not in the academic track. Despite slightly lower attendance than previous years, instructional quality and student engagement remained strong in both programs.

**End of Year Financial Report:** The Board reviewed the End of Year Financial Report. The District ended the year with a \$2.7 million surplus, bringing in \$47.7 million in revenue and spending \$45 million. The overall fund balance dropped from \$48.5 million to \$40.1 million, which is aligned with the District's financial strategy to fund the 2024 Blackhawk Middle School addition and renovation with existing fund balance.

### **Construction Update:**

At **Blackhawk Middle School**, new flooring has been installed in 12 remaining classrooms. Cabinet installation is currently underway in the remaining rooms. A new kiln was recently installed, and select windows have been replaced as part of ongoing upgrades. At **Tioga Elementary School**, interior painting has been completed. At **W.A. Johnson Elementary School renovation** work is in progress in the two ACE spaces in the 4th and 5th grade wing, with full project completion expected by August 1, 2025.

**Staff Orientation Days & First Day of School:** New Teacher Orientation is scheduled for August 14–15, followed by Teacher Institute Days on August 18–19. The first day of school will be on August 20th for K-8th grade and August 25th for preschool students.

**Establish Meal Prices for Adults:** The District recommends raising adult meal prices by 3.6% for 2025–26, setting breakfast at \$3.00 (up from \$2.90) and lunch at \$4.90 (up from \$4.75). These prices meet USDA rules and match the increase in the Sodexo food service contract.

**Second Reading of Policy Revisions:** The Board approved changes to policy [5:310 – Compensatory Time Off](#) and [7:190 - Student Behavior](#).

The Board reviewed [Policy 5:170 - Copyright](#) as presented and approved the review date of the policy.

**First Reading of Policy Revisions:** The Board considered proposed changes to policy [2:260 - Uniform Grievance Procedure](#) and [2:265 Title IX Grievance Procedure](#). A second reading will occur at the August meeting

**Award Annual Contract for First Student Pre-K Tuesday Bus Routes:** The Board awarded an annual contract to First Student, a national school bus services provider, to provide four Pre-K bus routes each Tuesday afternoon at \$129.38 per route, a 3.5% increase from last year. The total cost will be covered by the Transportation Fund.

**Next meeting:** The Board's next meeting will be held at 6:30 p.m. August 6, at the Educational Administration Center, which is located at 210 S. Church Road in Bensenville.
