Ebook Factoids

You cannot get an overdue fine on an ebook.

The ebook will automatically return after three weeks if you don't return it first. If you still need it, simply check it out again.

You can place a hold on a title that is currently checked out. Look for the HOLD button.

While you can read your book on phone, computer, chromebook or tablet, you will have troubles if you are logged onto your Follett account on too many devices. Avoid issues by using the **CLOSE BOOK** button when you are done reading.
