COURSE DESCRIPTION:

This English course for freshmen is taught by an Education Specialist with a reduced student to teacher ratio. The course provides a foundational pathway that supports the needs of students whose academic performance, including proficiency in English Language Arts and literacy in reading and writing, is three or more years below grade level. This course also includes a particular emphasis on academic vocabulary acquisition and reading comprehension, fluency, and foundation skills, as needed. Specialized Academic Instruction is employed, adapting, as appropriate in accordance with student IEPs, the content, methodology, or delivery of instruction to ensure student access to the general curriculum. This course calls for students to engage in a range of tasks (analyze, interpret, assess, integrate and evaluate, collaborate, adapt, apply) that require critical thinking, problem solving, and collaboration skills.
