Location	Jackson, Ms	Pearl, Ms	Jackson, Ms
Minority Code	M	N/A	B
Combined Proposal Total Cost	$ 97,700.00	$ 195,096.00	$ 125,000.00

Notes: The Administration recommends the approval of RFP 2025-11 award to Fisher Construction for Tree Removal Services at the Environmental Learning Center (ELC). The Asset and Property team does not have the internal capacity to perform large-scale tree and debris removal. Partnering with an external contractor is essential to ensure the safe and timely removal of trees and debris. This partnership will support operational efficiency and provide a seamless transition that avoids disruption to educational services while ensuring a safe and accessible environment for staff and scholars.
