

SOUTHAMPTON TOWNSHIP BOARD OF EDUCATION ORGANIZATION MEETING, JANUARY 3, 2022

Southampton Township Board of Education

"Building a Tradition of Excellence"

Our Mission

The **Southampton Township School District** shall empower our students with the life skills necessary to attain academic excellence while fostering social and emotional growth.

STATEMENT TO THE PUBLIC:

Please be advised that often it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and the Superintendent to assure that the members fully understand the matter. When the committee is satisfied that the matter has been thoroughly researched, it is presented to the Board of Education for discussion prior to any final action being taken. Only then, is it placed on the agenda for action at a public meeting.

REAFFIRM NEW JERSEY CODE OF ETHICS FOR SCHOOL BOARD MEMBERS

A school board member shall abide by the following Code of Ethics for School Board Members:

- I will uphold and enforce all laws, rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.
- I will make decisions in terms of the educational welfare of children and will seek to develop and maintain public schools that meet the individual needs of all children regardless of their ability, race, creed, sex, or social standing.
- I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
- I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
- I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
- I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
- I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its school.
- I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.
- I will support and protect school personnel in proper performance of their duties.
