**2025-2026**

**All student athletes will need to have a FinalForms Account before participating in any type of conditioning or tryouts at Avon Middle School North.** ACSC uses a completely paperless clearance process. The process includes a paperless **IHSAA Pre-Participation Physical, dated after April 1, 2025.** A parent/guardian will be required to create an account and manage the necessary documents for all of their student/athletes using the **FinalForms I.** This process will provide a higher level of security and efficiency than the previous process.
